Dated 16th February 1895.

To

THE HONORABLE Mr. J. T. Price C.S.I.
Chief Secretary to Government

Madras.

Sir,

Referring to G.O., No: 99 dated 1st February 1895, I have the honor to report that, in February 1894, Mr. Millock finding that, the sum of Rs. 3000 allotted for improving the Dalull cutcherry building at Jephore could not be spent within the year ordered its transfer to the maintenance of the Itikavalasa-Koraput road, to be spent in collecting metal for the next year, a very excellent plan, I think, on the understanding that the amount should be refunded to the Jephore Dalull office from the maintenance grant of the Itikavalasa-Koraput road for 1894-95. This action was approved in Government order No. 424

dated 20th February 1874 and the amount was accordingly spent before the end of March 1874.

2 In 1874-75 a sum of Rs: 15000 was provided for the maintenance of the Itkanalasa-Koraput road but Mr. French's estimate prepared for the purpose amounted to Rs: 21500 which includes Rs: 3000 to be refunded to the Jeypore Daluk office, the latter sum being only shown as a lump figure in the estimate.

3 It will thus be observed that the actual amount of work to be done on the road as per estimate referred to is only for Rs: 18500 during the year the balance being to cover the expenditure of the previous year, and my statement that the estimate, if sanctioned, would virtually amount to Rs: 18500 refers only to the actual expenditure on the road during the current year.

4 This amount Rs: 18500 is equal to a rate of Rs: 366 a mile a very reasonable average considering the climate, the traffic and the nature of

of the Ghaut; ~~and~~ it is spent Rs: 22000. The ghaut which I have lately seen is in very fair order, except the last four miles, many to repair which I have once more transferred from the Jeypore Daluk cutcherry funds, about which all this bother has arisen. I am of course sending a separate communication regarding this transfer.
