Encls.

Sir,

I have the honor to request that as a special case you will obtain the sanction of Government for the purchase of a typograph machine for the use of this office. I have had one, the private property of my accountant Mr. Rajagopalachariar, in this office for the last 6 months and have found it practically of very great use as a labour saving machine in this very heavy office. I forward you a statement showing the work which has been turned out, which I think proves that the refusal given in Chief Engineer's memo 2529C dated 6th July 1893 might be waived as a special case for this Div.

The

The value of a typograph machine complete is Rs 57-5-7 as per price list of stationery articles printed at pages 193 to 202 Part II of the Fort St. George Gazette dated 19th February 1895.
