RESOLUTION.—The Governor General in Council has approved the figures shown in the annexed statement as the estimated Revenue and Expenditure of the Forest Department for the years 1894-95 and 1895-96.

The figures for "India General" are the same as had already been passed by the Government of India in the Revenue or Finance Department, as the case might be, except that the Budget Estimates of Expenditure for the Andamans, Baluchistan, Coorg, and the Forest School have been raised so as to provide for increased charges on account of exchange compensation allowance owing to an alteration of the rate at which the allowance is calculated.

3. As regards the Provinces, the figures for the Revised Estimate of 1894-95, as finally settled, differ in many cases from those provisionally sanctioned by the Revenue and Agriculture Department, the alterations being based on the latest actuals reported by the account offices. The total figures of the Budget Estimates of 1895-96, settled with the Revenue and Agriculture Department, are retained, except for the Punjab and Bombay, for which the Estimates of Expenditure have been raised by Rs. 6,000 and Rs. 12,000, respectively, to provide for increased charges on account of exchange compensation allowance for the reason mentioned in paragraph 2.
