GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

From H. FARRER, Esq., Postmaster-General, Madras, to the Chief Secretary to Government, dated Madras, the 3rd April 1895, No. 368-D.P. 1-2.

With reference to G.O., dated 9th February 1895, No. 132, Financial, from which I presume it may be concluded that the grant for the District Post in this Presidency for the year 1895-96 will be '95 lakh only, I have the honour to state, for the information and approval of Government, that, in order to provide funds which will (1) serve to afford partial relief to the present state of stagnation and (2) admit of the salaries of village postmen on Rs. 5 and Rs. 6 being raised to Rs. 6-8-0, I arranged with the Director-General of the Post Office for the transfer to the Imperial Department of four post offices and sixty village postmen, the cost of which establishments, now charged against the District Post grant, is Rs. 352 a month or Rupees 4,224 per annum. As after the transfer the salaries of the village postmen on Rs. 5 and Rs. 6 will have to be raised to the higher rate of Rs. 6-8-0, the cost of these establishments to the Imperial Post will be Rs. 4,992, or, roughly speaking, Rs. 5,000.

2. After these transfers the cost of the remaining District Post establishments will be Rs. 85,154, and the difference between this amount and the grant of Rs. 95,000 will be available for improvements. A statement (A) is attached showing the number of village postmen (District Post) on salaries of Rs. 5 or Rs. 6 and the cost of raising their pay to the uniform rate of Rs. 6-8-0, which will be Rs. 443-8-0 a month or Rs. 5,322 per annum, and I propose that this should be accepted as the first charge on the balance now available. The other improvements I would recommend for sanction are shown in another statement (B) accompanying this letter, from which it will be seen that the principal measures will be the opening of 24 new village post offices and the entertainment of sixteen additional village postmen. The total cost of these will be Rs. 4,200 for the year and a small reserve of Rs. 324 to meet urgent demands will then remain.

3. If Government will be pleased to approve of the general outlines of the scheme, the necessary proposition statements will be submitted for orders with a statement of the grounds on which such measure is proposed.
