OFFICE NOTE No. 1341 A.

To

W.

Under the orders in para 3 of appendix H to volume I of P.W. Code and para 2 of G.O. No. 2697 W. dated 22nd. October 1894, it would appear that books required for the public service should be obtained through the Agency of the Financial Department.

2. In the contingent bill of the Chief Engineer's (for Irrigation) office for October 1894, a charge of Rs. 5 being the cost of 2 copies of text books on Hydraulics by Major H.D. Love R.E. was claimed and on being asked the circumstances under which the book was not purchased through the Financial Department, the Chief Engineer for Irrigation states that the text books were purchased directly as Financial Department G.O. No. 389 dated 19th. May 1894 refers only to the purchase of books and periodicals required from Europe, and has quoted G.O. No. 2934 W. dated 15th. November 1894 in support of his reply.

3. In the revised rules contained

* 42. 5.11.94. R. 1075 R.

CURRENT No.

with G.O. No. 588 W. dated 6th 1895
no mention is made as to
through which books required for public
offices should be procured. Orders of
Government are therefore requested as
to whether books whose purchase has been
sanctioned by Government under para 3 of
Appendix H to volume I of P.W. Code, may
be purchased by heads of office without
the intervention of the Financial De-
partment.
