SURGEON Major General J. Walsh

PRINCIPAL MEDICAL OFFICER, MADRAS ARMY,

To

THE Secretary to Government,
Military Department,
Fort Saint George.

SIR,

The Principal Medical Officer, Mandalay District and Chin Hills Command has represented that the scale of Stationery authorized in P. M. G., Military Department,

P. M. G. Military Dept. No. 3445 dated 29 May 1893 is totally insufficient
No. 1705 dated 16 March 1894. ———— owing to the Chin Hills Command having been brought under his administrative

medical control and has submitted an indent for the extra Stationery he requires.

To be obligingly returned — The indent which is herewith forwarded for sanction comprises all the articles and the quantities authorized for a District Principal Medical Officer's Office in the order of Government quoted above, so that it will be

he seen that the supply of Stationery he requires for one year is double that authorized for other District Principal Medical Officers' Offices.

2. Being of opinion that the demand was an extravagant one, the following memo was addressed to the District Principal Medical Officer at Mandalay:-

"If the indent submitted by you is meant to represent your extra requirements, it must be characterised as a very extravagant one, seeing that you require the regulated scale of Stationery for an additional District Principal Medical Officer and three extra clerks.

"It is only reasonable to infer that when two Districts are amalgamated, there must be some considerable saving in the amount of Stationery required. Orders have been issued for the withdrawal of troops from the Chin Hills which should further lessen correspondence. The Principal Medical Officer, Madras Army, is therefore

therefore not prepared to approve of this indent. An amended one should be forwarded in which due regard should be paid to the present financial difficulties of Government and of the necessity which exists for strict economy. The reasons why you require an extra supply of Stationery should be clearly and succinctly stated."

To the above memo, the following reply has been received.

"The present scale of Stationery allowed is hardly sufficient for the requirements of the Mandalay District and there are nearly

Kennedy Peak - 1 13 Stations in the Chin Hills Command

Kolumuk - 2

Kan - 1 besides Myingyan.

Kawau - 1

Mindat Sahau - 1

Haka - 1

Talam - 1

Kalungo - 1

Kalua - 1

Taffer Post - 2

Rambo Camp - 1

Total 13. I am well aware of the present financial difficulties of Government and accordingly the greatest care is taken in scrutinising the expenditure and I regret to say that no diminution could be made in the indent which is herewith resubmitted for favor of sanction and transmission to the Superintendent of Stationery, Madras, for very early compliance.

"The posts abolished in the Chin Hills Command

Command in December 1874 are Fort White,
Tiddim, and No. 3 Stockade (about 70 Rifles)
and the troops which occupied these places are
now garrisoned at Maysmyo where there were
no troops in 1873 and 1874".

3. Under the explanation afforded by the
District Principal Medical Officer, His
Excellency trusts that Government may be
pleased to authorize the Superintendent of
Stationery to comply with the enclosed indent.

Sir,

From

MADRAS,

To

The Honble Mr J. F. Prier C.S.
Chief Secretary to Government
Financial Department.

SIR,

With reference to your endorsement
No. 758 dated 4th April 1895 on the
enclosed letter No 358 dated 28th
February 1895 from the Principal
Medical Officer Madras Army to the
Secretary to Government Military
Department, Submitting a supple-
mental indent for Stationery re-
quired for the Chin Hills Command
I have the honor to state as follows.
As the indent of the Principal Medical
Officer Mandalay District and Chin
Hills Command for Stationery for
1895-96 has already been complu-
with in full according to the San-
tious scale, only the additional
required for the additional work
thru

thrown upon his office in consequence
of the abolition of the office of the
Principal Medical officer of the
Chin Hills Command, may be
supplied, enjoining on him the strict-
est economy in the use of the articles.
The marginally noted articles do not
appear to be necessary since the
services of the clerical establish-
ment attached to the office of
that Command have been
dispensed with.

A Telegram having been re-
ceived from the Principal Medical
officer Mandalay District and
Chin Hills Command asking
for an early despatch of the Station
the indent will be complied with
as proposed above in anticipation
of the sanction of Government. The
original indent is therefore retained
