the following letter from J. D. A. O.
Halfe Murray Esquire, Acting Collector,
Vizagapatam District to the Secretary
to the Commissioner of Land Revenue
Madras, dated 13th March 1895 Reference
Vern. Regt. et^{re} 71.

M. R. Ry. old. Starasipatam Pantulu
Deputy Tahsildar of Vizagapatam
was in chambers last, appointed to
act as Tahsildar of Gubergonda and
was ordered to join the appointment
forthwith. He accordingly proceeded
to Starasipatam by rail up to
Amakapalli and from there by road
a distance of 30 miles. When he
claimed mileage for the journey

the Treasury Deputy Collector, Vizagapatam
objected to the charge on the ground
that he did not travel by the
recognized, or cheaper route. Viz
from Anakapalli to Chasipatam
Road Station by rail, and from
there by road to Chasipatam a
distance of 17 miles;

2. The Tahsildar explains -
and it is a fact too - that the road
from the Chasipatam Road Railway
Station to Chasipatam was cut up
by heavy floods of the Varaha
river and was consequently im-
-passable there being no ferry
in some places to cross the river,
and no carts or other conveyances
being available.

3. I have the honor therefore
to recommend that the Board may
be pleased to obtain the sanction
of Government under article 1070
of the Civil Service Regulations
for withdrawing the objection

taken by the Treasury Deputy Collector
4. As President of the District
Board, I am now setting about the
improvement of this road to
Chasipatam from Chasipatam Road
Station. Until that improvement
is effected, (a large diversion must
be made) undoubtedly the best
way to Chasipatam is by Anakapalli
Railway Station, and I solicit that
general orders may be passed
allowing all public servants to
use this route, till the other is
made fairly passable at all seasons.
In the past year much correspondence
has taken place on the matter.

To

GOVERNMENT OF MADRAS,

THE Chief Secretary to Government,
Financial Department.

SIR,

With reference to your endorsement No 914 dated the 26 of April 1895 referring to me for remarks Proceedings of the Board of Revenue No 1548 M.O. dated 25 March 1895 submitting for orders of Government the recommendation of the collector of Vizagapatam regarding the grant of travelling allowance to the Deputy Tahsildar of Vizagapatam for journey performed by a route other than the shortest and cheapest under certain circumstances, I have the honour to observe that under article 1088 (c) of the civil service Regulations a journey should be performed by the shortest of two or more practicable routes. As in the present case the collector explains that the ordinary route is impracticable it cannot be termed the

route and consequently travelling allowance by the other routes is admissible without further sanction of Government.

2. In these circumstances no general order is required. I will admit travelling allowance in this and similar cases if the local authorities attach a certificate to such bills to the effect that no shorter route was practicable.

I have the honour to be,
Sir,
your most obedient servant,
Harrison
Offg. Accountant General.
