Sir

I have the honor to represent
for your kind consideration that
as I was ignorant of the condi-
tions embodied in Article
1205 of the Civil Service Regulations,
I was unable to obtain a Certi-
ficate from the District Medi-
cal & Sanitary Officer, Madras
declaring that I was obliged to
travel with my wife and chil-
dren from Kodakanal to
Vizagapatam. I therefore beg
your kind authority to meet

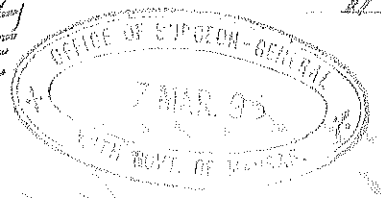

me to draw travelling allowance
in accordance with above quoted
Article.

From W. A. Michael Esquire,
By ACCOUNTANT-GENERAL TO THE
GOVERNMENT OF MADRAS,

To THE Surgeon General with the
Government of Madras

SIR,

With reference to your endorsement
No 2379 dated the 15th March 1895 on letter from
civil apothecary R. Franklin, Vizagapatam,
herewith returned as requested, I have the honor
to state that according to the letter of note
1 to Article 1205 of the Civil Service Regulations
the detailed statement of expenditure therein
referred to should have been submitted and
the written order passing his probable expenses
should have been obtained before the
journey was performed. In the present case
the apothecary did not obtain the written
order before he proceeded on his journey
to Vizagapatam and should therefore be
restricted to travelling allowance only.

the ordinary rules.
2. I may add that the Government of India to whom a reference was made regarding the application of Article 1205 in a similar case recently stated that in their opinion the case was not one in which this office should have taken any action in regard to a relaxation of the rule.

I have the honour to be,

With reference to Minute No. 10 (letter of the
Act General's office), I beg to mention, that
the Civil Service Regulations are not
ordinarily available to Medical Subordinates
& also that there has been no departure
Circular regarding Article No. 1205. On
completing to the Local District Accountant
Department, that the amount of my travelling
bill, at the usual rate, Rs 80-2-0, was
less than $\frac{1}{3}$ of the actual expenses incurred
by me, I was shown the above Article. I
was therefore, completely ignorant of the
rule when I left my last station, but

my late superior knows that I had
 to travel with my family and my
 present superior can certify that I
 arrived with my family, who are solely
 dependent on me. I therefore beg to state
 that the nonrelaxation of the rule will
 operate very severely on me. I feel
 confident that it is not the intention
 of Government that its servants should
 suffer pecuniary loss by transfers,
 and the greater the distance, the greater
 the expense. I have had to travel
 a distance of over 1100 miles, which
 makes the difference all the greater.
 I therefore respectfully request that
 my application be forwarded to the
 Government of India for kind consideration
 and relaxation of the rule in my case
 to enable me to recover the major
 portion of my actual expenses, for which

indness, I shall feel deeply grateful.

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

Madras,

To THE Honorable the Chief Secretary to
Government
Public Department

SIR,

I have the honor to state
that in the beginning of 1895 Civil
Apothecary R. Franklin proceeded to
Vizagapatam on transfer from Kodakanal
and after arrival at his destination sub-
mitted a claim for travelling allow-
ance for his wife and children who had
accompanied him in his journey, under
article 1205 Civil Service Regulations.

2 The Accountant General
to whom the claim was referred for
opinion stated that as the Apothecary
did not submit a detailed statement
of expenditure before the journey was
performed as required by Rule I to
the article quoted above he should
be restricted to travelling allowance
under the ordinary rules.

3 With reference to this
decision

decision the apothecary represents that as he was not in possession of a copy of the Civil Service Regulation and as the ruling in the note referred to was not communicated to him previously in any departmental circulars he was unable to meet its provisions, but as the conditions under which the travelling allowance is sanctioned for the family of an Officer existed in his case he begs that the concession may not be withheld from him.

4. As the request of the apothecary appears to be a reasonable one I submit the same for the favorable consideration and orders of Government.

5. The correspondence in the case is herewith enclosed for perusal.

I have the honor to be,

Sir,

Your most obedient servant.

the claim was referred for opinion, stated
that, as the apothecary did not submit
a detailed statement of expenditure and
obtain a written order passing his
probable expenses before the journey was
performed, as required by note I to
the article quoted above, he should be
restricted to travelling allowance under
the ordinary rules.

3. The Apothecary appeals against this
decision and represents that he was not
in possession of a copy of the C.S. R.;
that the ruling in the note referred to
had not been previously communicated
to him in any departmental circular,
that he became aware of the provisions
of the article only after having com-
plained to the local District account
Dept. as to the insufficiency of the
travelling allowance originally granted
to him when compared with his actual
expenses; and that the conditions
under which travelling allowance is
under article 1205, sanctioned for the
family of an officer existed in his
case.

4. The Apothecary's claim appears
to H.C. the Governor-in-Council to be one
in which the rules might be relaxed
