RESOLUTION.

Simla, the 30th April 1895.

The Governor General in Council has noticed that, in preparing the Budget Estimates for Exchange Compensation allowance for 1895-96, a uniform plan was not adopted in all Provinces, and that in some the amount of Exchange Compensation allowance was considerably over-estimated in the Estimates as first received. His Excellency in Council directs that in future the Budget Estimates for Exchange Compensation allowance should be calculated from the amounts (1) paid in the previous year and (2) entered in the Revised Estimate as likely to be paid in the year drawing to an end when the Budget Estimate for the next year is prepared, the proportion to those amounts depending on the percentages of salary payable in the two years (1) and (2) and that resulting from the rate of exchange adopted for calculating Exchange Compensation allowance in the Budget Estimates. If there is a difference in the result of the calculations from the two years (1) and (2), that which is considered to be the better guide to the payments in the year to which the Budget Estimates relate should be adopted.

ORDER.—Ordered, that this Resolution be communicated to all Local Governments and Administrations, to the Comptroller and Auditor General, and to all Accountants General and Comptrollers.

Whether, before communicating this
~~and~~ resolution to Depts. of the
Secretariat & Heads of Depts. the G. of I.
might not be asked if a separate
Budget head could not be opened
for Exchange Compensation Allowance,
the item being kept out of the
estimates under the various heads?
Details might be given as in
Appendix C. to our Budget
Estimates for 1895-6. Both last
year and this year the rate
at which Exchange Compens.
was calculated in the Budget
was altered by the G. of I. after
the estimates had been submitted
by this Govt. This necessitated
changes under almost every
head of expenditure. If there
were one budget for Exchange
Comp., it might be submitted to
this Govt. by the Act. Genl. and the date

for its submission fixed at the
20th December to minimize
the chance of alterations

The Government of India will be
addressed.

LETTER

No. 411

To

The Secretary to the Govt. of India,
Fin. and Com. Department.

SIR,

With reference to Finance and
Commerce Department resolution of the 20th
July, No. 1283 A, I am directed to
suggest for the consideration of H.E. the
Governor-General in Council the advisability
of opening a separate head for Exchange
Compensation Allowance in the Civil Esti-
mates, by excluding this item from the
estimates under the various heads and
showing it under its own head in detail
as in Appendix C/ to the estimates of the

6/10/95
RHS

Government submitted with my letter of the 18th January last No. 46.

3. Both this year and last year the rate at which Exchange Compensation Allowance was calculated in the Budget was altered by the Government of India after the submission of the estimates by this Government. This involved changes in the figures under almost every head of expenditure and, now that the estimates are printed locally, the corrections necessitated by such alterations are numerous. The work in connection with the preparation of the Financial Memorandum, which is circulated to the members of the Local Legislative Council prior to the discussion of the Financial Statement, is also greatly increased.

4. If the proposed arrangement were carried out, it would be unnecessary for heads of departments to include the item of Exchange Compensation Allowance in the estimates submitted by them to this Government, some of which are, owing to the number required to be reviewed, received as early as the 15th September. The Accountant-General might compile a consolidated Exchange Compensation Allowance ~~Estimates~~ Budget and

and the Government might be "fixed at late as possible" by the Government of India as regards the changes of alterations.

5. H.E.H. Governor in Council ~~Council~~ that such necessary labor would be provided by the provision of the above proposal.

6. I am directed to request the Government of India to fix the date of the meeting of the Council of the Government of India, so that the Government of India may be able to discuss the subject of the subject of the resolution passed above.
