NOTE FOR THE ~~CHIEF~~ SECRETARY.

I think it would be more profitable if this were dealt with in Judicial - Financial can only ensure that the I. G.'s proposed expenditure falls within the budget allotment but add his means of judging of the necessity for any of the works.

For his judicial, all he comes up with separate C.B. proposals seeking sanction 1/5/95 for particular works; for which reason I think sanction may be well continue in the budget. D. S.
