MINT BUILDINGS, MADRAS,

24th May 1895.

OFFICE NOTE.

The Superintendent, Government Press, solicits permission to purchase locally three paging machines of English manufacture, as they are very — — — — —
 emergently required for numbering the Form and Special Form forms of which large indents are being received from the Collectors. A serious inconvenience will be caused by delaying their purchase until the next annual indent.

2. The undersigned submits that the prices of these machines will be cheaper than if they were obtained from England.

3. The cost of the machines will be met from the budget allotment.
