Ref: no 939 of 95 dated 16-4-95.

Forwarded to the Sanitary
Commissioner Madras through
the Government Agent, Godavari.

2. The amount sanctioned
for making sanitary arrange-
-ments for the festival is
Rs 75/-. This sum is not
sufficient to carry out all
the recommendations made
by the Hospital Assistant.
The grant already made should
at least therefore be raised
by 25/- so that the required
arrangements may be made.

3. The Dy Tahsildar of Polavaram
has been directed to attend to
the festival a few days before
the festival to Co-operate
with the Hospital Assistant
in making the necessary
sanitary arrangements
in future.

The report submitted
by the Dy Tahsildar, Polavaram
on the same subject is also

enclosed.

4. These two reports differ from each other in describing the number of partitions of the sheds put up for pilgrims &c though they agree in giving the rows of pradals. The difference in the number of partitions is, I think, not very material.

5. As requested by the Dy Tahsildar steps may be taken to depute sufficient Constabulary next year to preserve order in the festival and to prevent defilement of the river bed.

agency

Forwarded to the Sanitary Commissioner Madras with 2 reports.

The undersigned agrees

with the Special Assistant Agent in thinking that the sum of Rs 75 sanctioned for making Sanitary arrangements is quite insufficient and requests the Sanitary Commissioner to obtain the sanction of Government for an increase of Rs 25 over the last year's grant.

The Special Assistant Agent has been requested to see that a sufficient number of Constables is deputed on the occasion of the next festival to preserve order and to prevent defilement of the river bed.

would respectfully support the
recommendation of the Agent to
the Governor to increase the
allotment to at least Rs 100
the sum at present allowed being
insufficient to secure the ne-
cessary conservancy staff.
