GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From C. R. C. KIERNANDER, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 13th November 1891, No. 3248.

With reference to Order, No. 1838 M., dated the 26th October (Local and Municipal), paragraphs 1 and 3, I have the honour to state that the simplest method of effecting recovery from the Municipalities of the pay of Assistant Engineers and upper subordinates employed on sanitary works would be to await completion of each work, when the exact amount recoverable can be ascertained by the Sanitary Engineer and reported to this office.

2. As I presume that payments on the above account will shortly be required to be made by me, I would suggest that the Sanitary Engineer be directed to submit an application, by an early date, for a supplementary budget grant. In the meanwhile, in order to prevent inconvenience, I shall pay all bills submitted to me by the Sanitary Engineer.

ORDER—dated 1st December 1891, No. 2133 M., Local and Municipal.

Communicated to the Sanitary Engineer for information and guidance.
