Sir,

I am submitting herewith my travelling allowance bill for the journey performed for the purpose of attending on the late Mr. H. B. Grigg, Resident of Travancore and Cochin. I have the honor to report that the allowance therein claimed for more than 10 days halt is inadmissible under Rule 1159 of the Civil Service Regulations. As the halt was absolutely necessary in the interests of the service, I request that necessary orders of Government exempting me from the operation of the above rule may be obtained and that the bill may be countersigned and returned to me as early as possible. Had I left on Saturday the 6th or Sunday the 7th Instant and travelled by back water the cost would have been more than double, and I should have got in too late for work on Tuesday the 9th Instant whereas by Steamer I arrived at day break.

on Wednesday the 10th Instant.

GOVERNMENT OF MADRAS,

To

The Honble the Chief Secretary to Government
Financial Department.

SIR,

I have the honor to forward the accompanying
copy of letter from Surgeon Major S. B. Carnuthers
Acting District Medical and Sanitary Officer
Malabar and to request that in the light of
the explanation therein given, Government will
be pleased to authorize the Accountant General
to pass the halting allowance claimed by
Surgeon Major Carnuthers.

2. I am aware that in the G.O.s quoted in the
margin Government declined to sanction a similar
concession in the case of the District Medical and
Sanitary Officer Madura but as the circumstances of
the two cases are not analogous as Surgeon Maj. Carnuthers had to
be sent for for consultation in the interests of a dying patient and
had to remain at Cochin to the detriment of his private practice
I hope Govt. will be pleased to sustain the present claim.

I have the honour to be,

Sir,

Your most obedient servant,

C. Sibthorpe
Surgeon Major-General
Surgeon-General with the Govt. of Madras.

FOR ORDERS. With reference to article 1159

Surg. Maj. Carmichael is of the C.S.R. Neither condition (a)
deserving of every consideration or condition (b) of that article
but I am afraid the
rules are dead against
him - He must be
content with halting allowance
for 10 days, I am afraid

I don't think halting allowance
can be granted for more than
10 days.

JS
22/6

There is nothing for it but to refuse
anything beyond the first 10 days
halting allowance - (I suppose the
travelling, all? is not affected).
The Govt. might express its regret that
under the Rules it is precluded from
granting the exemption sought.
The Rule works very hardly in this sort
of case - and is, I think, unnecessarily
stringent.
