A similar application was made in July 1893 by the District Magistrate, North Arcot for the supply of a copy each of Lyon's & Gibble's Medical Jurisprudence for the use of the District Surgeon and the hospital assistants in his district to assist them in dealing with medico-legal cases. The application was negatived on the ground that 25 copies of Gibble's Medical Jurisprudence were supplied to the District Magistrate under G.O. 2, 1st July 1891, No. 523, and that with this number in the district a copy should be available for reference when required by medical officers. It is submitted that the following disposal will meet the present case.

The purchase of copies of Lyon's Medical Jurisprudence cannot be sanctioned. But as a large number of copies of Gibble's Medical Jurisprudence was distributed in 1891 to District Magistrates, the High Court, the District Magistrate, and the Superintendents of Police, officers should have the opportunity of procuring a copy for reference when required. The Superintendents of Police should be requested to procure a copy for reference when required.

To

THE HONOURABLE THE CHIEF SECRETARY TO GOVERNMENT,

King's DEPARTMENT.

SIR,

The difficulties which medical officers and subordinates have to deal with in medico-legal cases has been constantly brought to my notice.

2. With the view of assisting them in this important branch of their work I am of opinion that it is most desirable that Government should supply each District Medical and Sanitary Officer with two copies of Lyon's work on medical jurisprudence one for record and use in their offices and one to send to any of the medical subordinates serving under them who require assistance from it. Each Civil Surgeon and each Medical Officer in charge of a State hospital at the Presidency town should be supplied with a copy. *Sixty* Copies would be required altogether.

3. The price of each copy is rupees 16

at Messrs Macken Spink and Co. Bombay
but if they were purchased through Messrs
Baker and Co. and sent to the Medical
Stores for distribution the cost would be
less.

4. I think these books should
be supplied as I suggest in accordance
with the principle embodied in G. O. No. 1033
Financial of the 19th June 1874 under which
Government sanctioned the issue of post-
mortem instruments.

I have the honor to be
Sir

Your most obedient servant
