OFFICE NOTE.

In accordance with instructions received in G.O., dated 29th April 1895, No. 350 Financial, the Superintendent, Government Press, submits that he addressed a letter to the Superintendent of Government Printing, India, enquiring "if you have the pages still in type of the Madras Civil Budget Estimates for 1894-95, pages 1 to 123. If so, the Madras Government will apply to the Government of India for the transfer of these pages to this Press, and an indent will be made for an additional supply of all the types used in the Budget Estimates as the Madras Budget Estimate for 1895-96 has been considerably increased in number of pages. In reply the Superintendent informs him that "the Budget for 1895-96 is in type and can be sent if desired. A proof

is sent herewith to enable you to prepare an indent for the type required".

2. The undersigned has carefully compared the Civil Budget Estimate for 1895-96 in blank form at Calcutta herewith forwarded (to be kindly returned for use later on) with the Madras Estimates now in type, and solicits that the transfer of the pages now standing in Calcutta be made to this Press, and the additional types given in list attached be obtained from the Superintendent of Government Printing, India, to ensure the Estimates being put into type completely.
