As per para 2 of G.O. No. 160, July, 1895, relates to work that should properly be done at a Govt Press. it is inapplicable to the printing of covers at private presses and therefore a portion should not become at Govt. expense at private presses. It is not understood why

the cover suggested in official memorandum of 17th Oct 79, No. 2024, Public, should not be adopted by the Supply Engineer India rubber stamps are suitable for the purpose.

From the Deputy Collector in charge of
Press, Coimbatore, S^d 12 dated 22nd
April 1895: —

With reference to your letter
S^d 15th dated 10th April 1895, I regret
to have to inform you that as G.O. S^d
10 of 5th January 1882 prohibits the
printing of covers I am unable to print
the same.

As for the other 4 forms, I have
the honor to inform you that it will
take at least a month before they can
be printed as the press is now fully
occupied in printing urgent Forest
and other notifications and forms.

Endorsement by the Superintending
Engineer W. Cole, S^d 172 dated 29th
April 1895: —

Copy submitted to the
Chief Engineer P.W.D. with a request
that he will be good enough to obtain
the sanction of Government to get
the covers printed locally as usual.

Memorandum

Memorandum to the Superintending Engineer IV Circle, No. 1797C dated 11th May 1895:—

The Superintending Engineer is requested to report why the sanction of Government is required. G.O. No. 2453 W dated 3rd September 1892 ^{apparently} covers the case. X

Letter from the Superintending Engineer IV Circle, No. 198 W dated 15th May 1895:—

Adverting to your memo-
-randum No. 1797C, dated 11 May 1895,

I have the honor to inform you that agreeably to the orders contained in G.O. No. 464 W, dated 26th February 1895, the Deputy Collector in charge of District Gazette press, Coimbatore was asked to print certain forms and covers and in the event of his being unable to comply with the request to furnish one with the required declaration to enable one to get the same printed by a private press. In his letter No. 12, dated 22nd April 1895, the Deputy Collector wrote to say that G.O. No. 10 of 5th January 1892 prohibits the printing of covers in the District Press and that the other forms will be printed in due course.

The G.O. No. 2453 W, dated 3rd April

April 1892, quoted in your memo under reply appears to have been superseded by G.O. No. 464 W, dated 26th February 1895, according to which printing work cannot be entrusted to private presses in the absence of declaration signed by the Superintendent, Government Press or other responsible officer to the effect that the work could not have been undertaken at the station without inconvenience to the interests of the public service.

Order thereon No. 1370 W dated 10th June 1895

Para 2 of G.O. dated 15th February 1895, No. 160 Financial does not supersede G.O. No. 2453 W dated 3rd September 1892, so far as to require the sanction of Government to the execution of official printing at private presses. If the declaration prescribed in para 2 of the first mentioned order can be obtained, the charges for printing can be authorised by the Superintending Engineer under para 37, Chapter VI Vol I, P.W. Code.

2. As however the printing at Government presses of superscription on official covers is prohibited by Circular
