G.O., dated 14th August 1894, Nos. 619, 620, Financial.

ABSTRACT.—Cancelling certain orders exempting certain establishments generally from the operation of the rule contained in section 29 of the Travelling Allowance Code regarding the grant of daily allowance for halts in excess of ten days at one station, and directing that the Government of India be requested to include the establishment of the Resident in Travancore and Cochin and clerks of Inspectors of Schools and Inspectresses of Girls' Schools in the exceptions mentioned in Article 1162 of the Civil Service Regulations.

From S. JACOB, Esq., Officiating Secretary to the Government of India, Finance and Commerce Department, to the Chief Secretary to the Government of Madras, dated Calcutta, the 20th December 1894, No. 6204-P.

I am directed to acknowledge the receipt of your letter, No. 620, Financial, dated 14th August last, in which you propose that the establishment of the Resident in Travancore and Cochin and the clerks of the Inspectors of Schools and Inspectresses of Girls' Schools should be exempted from the operation of Article 1159 of the Civil Service Regulations, which prohibits the grant of daily allowance for more than ten days of a halt at one place.

2. In reply, I am to say that the Government of India sanction the exemption of the clerks of the Inspectors of Schools and Inspectresses of Girls' Schools from the operation of Article 1159 of the Civil Service Regulations subject to the continuance in force of the orders under which every charge made under the concession must be supported by a certificate from the Inspector or Inspectress to the effect that the sum charged is not in excess of the expenses for locomotion only for the journey on which the halt occurred.

3. As regards the case of the establishment of the Resident in Travancore and Cochin, I am to observe that the proposal is to exempt this establishment absolutely from the provisions of Article 1159, and it appears to be put forward largely on the ground of the extra cost of living—for which travelling allowance is not intended to compensate—and not so much because the travelling allowance admissible under rule is insufficient on the whole to cover the actual expenses on account of travelling. If the latter condition is fulfilled in the case of this establishment, the Government of India would have no objection to extending to it the concession sanctioned in the preceding paragraph, but His Excellency the Governor-General in Council regrets that he is unable to sanction the absolute concession proposed for it.

Ordered that copy, with copy of the letter to which this is a reply, be forwarded to the Home Department.

Ordered also that copy be forwarded to the Accountant-General, Madras.

NOTE

It appears best to let the
 Resident come up again if he
 can make ^{out} a stronger case for
 his establishment. The contention
 of the Resident was that loss is
 incurred by his establishment when
 restricted to daily allowance for
 10 days. If this is so, the T.A.
 must be insufficient, & ~~the~~

 by India is not quite clear.
