FOR ORDERS.

I at first framed this Draft Order on the
current but have subsequently decided to
take action on it.

The application made by the Govt. of Singapore
is one without precedent and I doubt whether
it is proper that the Indian Stores should supply
the Govt. of a Colony even on payment, which
into in this case be made. I should have thought
that it would have been easy enough to purchase
what is required in the open market of not
at Colombo or Madras certainly at Calcutta.
Singapore must be a poor sort of place
if the the shops there are unable to supply
even two reams of bank post paper.

As an act of courtesy the article offered
for might if they can be spared sent,
with the intimation that further applications
cannot be complied with as the indent of
the Stationary Office are calculated only
to meet the requirements of the presidency
concerned

11/7/95.

I do not let them have what
they want as an act of
courtesy. If they apply again,
it will be time enough to tell
them that we can't go on
supplying them.
