FINANCIAL DEPARTMENT.

Read—again the following papers :—

G.O., dated 3rd October 1894, No. 810, Financial.

Abstract.—Passing orders on the budget estimate of District Post establishments for 1895–96.

G.O., dated 9th February 1895, Nos. 132, 133, Financial.

Abstract.—Passing orders on the proposals of the Accountant-General for carrying out certain reductions in the budget grants for 1895–96.

G.O., dated 26th April 1895, No. 344, Financial.

Abstract.—Approving the proposal of the Postmaster-General regarding the District Post grant for 1895–96 and directing the submission of the necessary proposition statement.

Read—also the following paper :—

From W. J. HAM, Esq., Officiating Postmaster-General, to the Chief Secretary to Government (through the Accountant-General), dated Madras, the 19th June 1895, No. 8504.

In compliance with G.O., No. 344, Financial, dated 26th April 1895, I beg to submit herewith, for the sanction of Government, proposition statements in duplicate showing the revision of District Post establishments in each district separately. As the two post-offices, Palagiri and Amencherla, costing together Rs. 14 per month and included in the Statement B which accompanied my letter, No. 368, dated 3rd April 1895, are now under experiment under the Imperial Post, they have not been included in these proposals, and two other offices—one at Tirthahalli in the Salem district with a branch postmaster on Rs. 3 and a village postman on Rs. 6–8–0, and the other at Sikitambur in the Trichinopoly district with a branch postmaster on Rs. 2–8–0 and costing together Rs. 12 per month—have been included in their stead. The total cost of these proposals will therefore be Rs. 348 per month or Rs. 4,176 per annum.

2. I beg also to submit herewith a statement shewing the particulars of establishments proposed to be transferred to the Imperial Post.

3. Owing to the opening of new post-offices and revision of beats of village postmen, some of the village postmen sanctioned previously for certain offices were transferred to other offices as they could from those offices effect the delivery of rural correspondence with much convenience to the public. All such village postmen are now shown under the offices at which they are now working.

4. The pay of the village postmen on Rs. 5 and Rs. 6 per month who are still remaining under the District Post have been raised to Rs. 6–8–0 per month as their responsibilities, owing to the delivery of money orders, &c., in the remote parts, have become very great.

5. As the cost of these proposals is within the budget grant for the current year, I request that Government will be pleased to accord sanction to the measure, which will be carried into effect as soon as the sanction of the Director-General for the transfer of the several remunerative establishments to the Imperial Post, as shown in the statement referred to in paragraph 2 of this letter, is received.

ORDER—dated 19th July 1895, No. 533, Financial.

The proposition statements are sanctioned.

2. The financial effects of the Postmaster-General's proposals are as follows :—

	RS.
Additions to salaries	5,316
Additional establishments	4,176
	9,492
Deduct—	
Transfers to Imperial	4,224
Other savings by abolition of offices, &c.	714
	4,938
Net increase	4,554

3. The Postmaster-General should have appended to his letter an abstract showing the above.

Grounds of Proposition.

and connect it with Atmakur. If this arrangement is sanctioned, mails from Nandikotkur and Atmakur for Nandyal which now reach after 3 days will pass by this new line and be delivered there earlier and thereby cause much convenience to the public. Two runners are therefore proposed between Velugode and Atmakur on Rs 6 each per month.

3. The pay of Village Postmen on Rs 6 who still remain under the District Post is proposed to be raised to Rs 6/8 per month.

4. Hosuru is a large village 4 miles South West of Pattikonda and it has a population of 2897. There are many merchants there, but owing to the absence of a regular Post Office they are obliged to send their correspondence through their messengers to Pattikonda and other places. As there is a District Post line from Pattikonda to Pellakuru the runners may be made to pass through this village. It is therefore proposed to employ an extra Departmental Agent on Rs 3 and place him in charge of the office so that the village may have a daily service and reap the benefits of a regular Post Office.

5. The name of the stage to which the runner from Paramanchal carries the mails is stated to be Mandalam and not Bhunnur as shewn in the column "Present Scale". It is therefore shewn as Mandalam in the four columns.

It is 8 miles from Madura and 4 miles from Tiruppu-vanam. It is now served by the Village Postman of the latter office thrice a week but it does not meet the requirements of the public. It is therefore proposed to open a regular Post Office and place it in charge of the Schoolmaster at that place on an allowance of Rs 2/8. The Schoolmaster will serve 3 other vill also which will be attached to this office. 4. Mandalamanickam is another important village inhabited by merchants and families of emigrants. It is 4 miles from Kamuti and 12 miles from Tiruchuli and is now served by the Village Postman of Kamuti twice a week. But as his stay in the village is short, the people have not sufficient postal facilities. Grounds of Proposition.

extra departmental Agent can be secured on any allowance less than Rs 10 per month. It is therefore proposed to open a Br. Post office there at the same cost as it appears that a Post office is really necessary there for the requirements of official correspondence.

4 At the request of the Inspector General of Posts Madras, an Imperial Post office was opened at Kaluvannur on 21/11/94 but it had also to be closed as it was not self-supporting. He has again suggested that a Post office be opened and placed in charge of the Sub Registrar of the place who will undertake to do the work of the office without any allowance. It is therefore proposed to open a District Post office and place it in charge of the Sub Registrar. As Kaluvannur is situated at a distance of 7 miles from Quilandy the only expense that will be incurred is the cost of a runner who will have to carry the mails to and from Quilandy.

Owing to the reduction in the establishment of the Gold mining Companies in Pandalur Correspondence fell off Considerably and heavy reductions were made in the Pandalur Imperial Post Office. The Services of the Postman who, besides delivering Correspondence in Pandalur used to serve adjacent villages were dispensed with and much inconvenience is Caused in the disposal of articles intended for the villages attached to Pandalur. It is observed that a large proportion of the Correspondence for the villages including official Correspondence is returned as undeliverable. It is therefore proposed to employ a Village Postman on Rs12 under the District Post. 2. After the closing of the Post Office at Kilkondah in November 1890, the services of the runner sanctioned to carry mails from Devashola to Kilkondah are utilized as a Village Postman. As it is very difficult to get a suitable hand to take up the post on a Salary of Rs 8, it is proposed to change the designation of the appointment to that of Village Postman and raise the pay to the rate usually paid to that class of Subordinates in the Nilgiri District. 2. The above proposals which involve a net increase of only Rs16 per month have the approval of the Collector of the District.

3. Vislampuram is a large village in the Nannilam Taluk Tanjore Dt, 7 miles northwest of Nannilam. It contains 328 occupied houses and a population of 1774 and is now served by the Village Postman of Nannilam Post office twice a week, but as the Village Postman does not remain longer in the village the inhabitants are not satisfied with the present arrangement and have been petitioning for the opening of a Post office since April 1893. As there appears to be every reason that the villages around also will use the Post office to a large extent, it is proposed to open a Post office and place it in charge of the Local Fund Schoolmaster of the place on an allowance of Rs 2-8- per month. A Village Postman is also proposed on Rs 6/8 to carry mails to and from Nannilam and to deliver correspondence in the surrounding villages.

4. The pay of Village Postmen on Rs 5 who still remain under the District Post is also proposed to be raised to Rs 6/8 per month.

Grounds of Proposition.

There is a weekly market held there. An Imperial Post office was opened here on 1-7- but the people did not make much use of it as their letters &c were delivered to them only thrice a week by the Village Postman of Turaiyur who serves also Uppiliyapuram. They were sending their men direct to Turaiyur and the office had consequently to be closed on 6-4-95 as it was not remunerative. Now that two Village Postmen are applied for Uppiliyapuram and this office is on the line between it and Turaiyur, daily delivery of correspondence can be effected at this place also without extra cost. It is therefore proposed to open a District Post office in charge of an extra Departmental Agent on an allowance of Rs 2/8 per month.

5. The pay of all Village Postmen on Rs 5 and 6 who will still remain under the District Post is also proposed to be raised to Rs 6/8 each

SIR,

Encs: 43

G.O. 344 / 26-4-95

In compliance with G. O. No.344, Financial dated 26th April /95, I beg to submit herewith for the sanction of Government, proposition statements, in duplicate, shewing the revision of District Post Establishments in each District separately. As the two Post Offices Palagiri and Amencherla, costing together Rs 14/- per month and included in the statement B which accompanied my letter No 368 dated 3rd April /95 are now under experiment under the Imperial Post, they have not been included in these proposals, and two other offices, one at Tirthahalli in the Salem District with a Branch Postmaster on Rs ~~2: 8: 0~~ 3-0-0 and a Village Postman on Rs 6: 8: 0, and the other at Sikitambur in the Trichinopoly District with a Branch Postmaster on Rs 2: 8: 0 and costing together Rs 12/- per month have been included in their stead. The total cost of these proposals will therefore be 348 per month or 4176 per annum.

2. I beg also to submit herewith a statement shewing the particulars of Establishments proposed to be transferre to the Imperial Post.

public. All such Village Postmen are now shewn under the offices at which they are now working.

4. The pay of the Village Postmen on Rs 5/- & 6/- per month, who are still remaining under the District Post have been raised to Rs 6: 8: 0 per month as their responsibilities owing to the delivery of Money Orders, &c in the remote parts, have become very great.

5. As the cost of these proposals is within the Budget grant for the Current year, I request that Government will be pleased to accord sanction to the measure which will be carried into effect as soon as the sanction of the Director General for the transfer of the several remunerative Establishments to the Imperial Post as shewn in the statement referred to in para 2 of this letter, is received.

I have the honor to be,
Sir,
Your most obedient servant,

Offg: Postmaster General.
