Sir,

With reference to G.O. dated 18th
 March 1895, No. 248, I have the honor to
 forward herewith 9 samples^{*} of locks
 obtained from the Aligarh Portal workshops.
 They appear to be very superior and
 cannot therefore be substituted with
 safety for other Chubb's or Dindigul
 locks. A copy of the report of the
 General Superintendent, Public Works
 Workshops & the locks is enclosed
 for information. It will be observed
 that he does not recommend their
 use where articles of value are
 stored. The prices of the locks are
 of course very much lower than
 those of the other two descriptions
 as

* to be returned
 * sent by post

11/11/95

as will be seen from the signed table.
