3. The grounds on which this application for funds is made, are briefly given in para 3 of Mr. Krishnamah Chariar's letter read in G. O. No. 311 Public dated 27th April 1895. In forwarding the Annual report for last year he writes "It will be observed from the budget estimate of receipts and expenditure prepared by the executive committee for the current year (vide page 24 of the printed report) that the means of the hospital to meet its liabilities are all exhausted and that there is a deficit of over Rs. 3000/- to be covered, in spite of all possible economies in expenditure on the hospital staff. Seeing that the resources of the institution to cope with the increased and still increasing demand for the medical relief of caste and gosha patients daily resorting to it have become inadequate this year, as the inevitable result chiefly of the loss due to the enforced sale of Government paper and the purchase of municipal debentures at

a premium, the Governors beg to draw attention to the remarks of the executive Committee at the head of page 10 of the report and to suggest that, if Government will increase its grant-in-aid, more useful work can be done in this hospital."

4. During the last official year Government was pleased to sanction a grant of Rs. 1800/- and subsequently an additional allotment of Rs. 500/-, but as Her Excellency's special appeal this year to the wealthy Hindus of this Presidency has resulted in a very liberal response, it is calculated that the interest accruing from this increase to the Capital, will enable the Committee to meet the requirements of the year with a grant-in-aid of Rs. 1800/- only.

I have the honor to be,
Sir,
Your most obt. servant,

B. B. Brounig Surgeon-Major,
Honorary Secretary.
