Read Public Works Department Circular No. XXV Railway, dated 17th September 1884.

Read Memorandum No. 693-E., dated 23rd March 1894, from the Director-General of Railways, forwarding a letter from the Manager, North Western Railway, No. 220 D.G.R., dated 14th March 1894.

*Observations.*—Under the circulars quoted in the preamble, all police charges connected with the maintenance of law and order on a section of a State Railway open for traffic are debitable to the Civil Department under the head Police. These orders have hitherto been observed so far as the pay and other incidental charges of the Police establishment is concerned; but it has been the practice to debit the charges on account of rent of quarters or house allowance for police entertained for the maintenance of law and order to the railways concerned.

*Resolution.*—In order to conform more closely to the existing orders on the subject, His Excellency the Governor-General in Council is pleased to rule that in future all charges on account of rent of quarters allotted under paragraph 223, Chapter III, Volume IV, of the Public Works Department Code, or house allowance granted under paragraph 230 of the same chapter to police staff entertained for the maintenance of law and order on State Railways open to traffic, should be debited to the Civil Department instead of to the Public Works Department as heretofore. The rent of quarters constructed by the railway should be calculated in accordance with the rules in paragraph 28, Chapter XI, Volume I, of the Public Works Department Code.

*Order.*—Ordered that this Resolution be communicated to the Chief Commissioners of Burma and Assam, the Accountant-General, Public Works Department, and the Director-General of Railways, for information and guidance; also to the Local Governments and Administrations and to the officers noted on the margin for information.
