Sir,

With reference to correspondence ending with your letter No. 1787 dated 11 July 1895, I have the honour to request you to invite the attention of the Government of Madras to article 1006, Civil Account Code which indicates the principles upon which the Government Accounts are classified and shows that the distribution of any charge among the public Departments benefited by the expenditure is generally prohibited. As Government have decided not to recover the charge from the individual officers using the States, it seems to me that in accordance with the principles indicated in the Article quoted above the entire Conservancy charges of the States should be adjusted against one head of account and probably in this case 32. Miscellaneous - Petty Expenditures, should be adopted for this purpose.

as is understood to be the case, the
establishment is entertained for the exclusive
benefit of Civil Officers.

I should be glad to know what
orders are passed by the Government of
Madras in your representation.

I have &c
