FROM

H. LE FANU, ESQUIRE,
Collector and District Magistrate,

To

THE Chief Secretary to Government
Ecclesiastical Department
Fort St George

SIR,

In reply to G.O. dated 9th March last,
No. 97, Ecclesiastical, I have the honor
to state that both the Head Quarter Deputy
and the Head Assistant Collectors report
that there are no tombs or monuments
possessing historical or archaeological
interest in their Divisions. The other
Divisional Officers, viz., the Sub and
General Duty Deputy Collectors, have
sent up lists, which contain the names
of tombs, mostly of Europeans, not
possessing any historical or archaeolo-
gical interest. These two Officers

I am apparently misunderstood
the subject; and I am now calling
on them to report whether there
are any Lambs or Ironmongers of
the kind alluded to by the Gover-
nment of India. The Sub Collector,
in whose division the Nabob Sadatulla
Khan Jamma Masjid referred to
in the Government of India list
is situated has not furnished
the required information in the
prescribed form in respect of that
Lamb either. I have now called
on him to do so and shall submit
the information as soon as it is
received from him.

2. I beg to forward
herewith a list of European Lambs
in this district with inscriptions
thereon compiled by me. From

that there is only one Lamb which is
of some historical importance, viz,
that of Colonel Jacquet, - vide
page 2 of the list. The list might
be sent to the Forest for information.

I have the honor to be,
Sir,
Your most obedient Servant

Collector.

Official Memon.

No. 1463 of 18-7-94

The attention of the Collector of Bellary is directed to the fact that five copies of the list of European tombs in the district have been received by post without any covering letter but simply accompanied by a printed distribution list bearing the name of the Asst-Collector.

The necessity for so large a number as 250 copies of the list is not apparent - and several items in the list seem open to objection in the absence of explanation of the necessity for the number of copies furnished - E.g.

Sir,

With reference to your memorandum dated 14th July 1894, calling for the immediate submission of the list of European etc. tombs in this District, I have the honor to state that lists were called for from Divisional officers in February 1893, that almost all of them had to be returned for revision & that the last revised list from Chirakkal reached me on the 19th April 1894.

The consolidated list is now being printed at the District Press and 28 pages have been set up in type; but owing to the whole of the District Press Establishment being engaged with the printing of the Abkari notifications relating to the next lease, I do not think that

that the list of tombs in this District will be ready before September.

~~ORDER~~

To

The Under Secretary of State for India

Sir

I am directed to advise you of the despatch of a case per S.S. containing 12 Copies of each of the Lists of Books published under orders of this Govt. in the districts marginally noted; and to intimate that a similar no: of copies of lists for the other districts will follow as soon as they are ready.

2. The prices fixed on the Lists are as shewn below :-

For Tanjore - - - - 1^R
" Bellary - - - -
" Vizagapatam - - - -

Note.

The lists in their present condition appear unsightly: they are all paper covered and coloured various[ly]. It is submitted that if bound they will present a more decent appearance besides giving the Volumes ~~an appearance of uniformity~~ & rendering them more durable owing to the[ir] their size of most of them. In case Sec^y. of State approves, the prices may be worked what enhanced prices he will fix. I have confined the price to the 3 districts as the price of the lists of these only are known at present.

NOTE FOR THE

With reference to C. S.
Enquiry of 21st Dec 94 as to what
it would cost to bind up the books
of Vouchers in 12 sets — each set consist-
ing of the books for all districts, it
is to be omitted from the estimate
of 27th Dec 94 furnished by the
Superintendent, Govt Press, that
the following will be the cost pro-
vided by the character of the
binding —

	Rs	As	Ps
Half morocco back and cloth sides @ Rs 1-12 — each for 12 sets	21	"	"
— " Calf back and cloth — " @ Rs 1 8 " each for do	18	"	"
" — Roan — do — do — " @ Rs 1 6 " each for do	16	8	"
Full cloth — do — do — " @ Rs " — 14 " each for do	10	8	"
Half cloth — do — " Mealle sides @ Rs " — 10 " each for do	7	8	"

It appears that there are several
errors in the book for Stamps, in which
case the book will have to be re-
printed, and the binding of the
sets will then have to be deferred.

The Tanjore list will, I understand, require some revision - This will take time and delay the despatch of the other lists to the Secy. of State. I think the best plan will be to send off the lists that are ready after binding them (separately for each district) in cloth.
