5. . . . I am to suggest that the first five lines of Article 1258 should be amended as follows:—

"Members of office establishments when travelling in the hill tracts of Ganjám and Vizagapatam with the Agents, Principal, Senior, Head and Special Assistant Agents, Ganjám and Vizagapatam, and the Deputy Inspectors of Vaccination, Ganjám and Vizagapatam, when travelling in the same tracts, receive daily allowances as in the following scale."

6. I am also to ask that the sanction to this proposal, if granted, may have effect from the 8th August 1894.

From J. P. HEWETT, Esq., C.I.E., Officiating Secretary to the Government of India, Home Department (Public), to the Chief Secretary to the Government of Madras, dated Simla, the 29th August 1895, No. 1279.

I am directed to acknowledge the receipt of your letter, No. 512, dated the 10th ultimo, bringing to notice that the Accountant-General has objected to pass daily allowances under Article 1258 of the Civil Service Regulations to two Revenue clerks, a muchi and three peons who accompanied the Senior Assistant Agent, Vizagapatam, on tour in the hill tracts, on the ground that the special rates allowable under that article were extended by the Government of India to the establishment of the Senior Assistant *Agent* and not to that of the Senior Assistant *Collector* of Vizagapatam.

His Excellency the Governor of Madras in Council considers that it is absolutely necessary for the efficient administration of the hill tracts that the officers in charge of them should travel as frequently as possible and with such portion of their joint establishments, whether technically classed as Revenue or Agency, as they may require to take with them for the efficient performance of their duties. It is further stated that the establishments of the Principal Assistant Agent and of the Head Assistant Collector in Vizagapatam should be included in Article 1258, as both these officers are required to travel in the hill tracts of Vizagapatam. The Government of Madras therefore suggests that Article 1258 of the Regulations should be amended so as to cover the cases under notice; and ask that sanction to this proposal, if accorded, may have retrospective effect from the 8th August 1894.

2. In reply, I am to say that the Governor-General in Council sanctions the proposals of the Government of Madras with retrospective effect from the date mentioned. Article 1258 of the Civil Service Regulations will accordingly be amended in the sense indicated in paragraph 5 of the letter under acknowledgment.

"Members of office establishments when travelling in the hill tracts of Ganjám and Vizagapatam with the Agents, Principal, Senior, Head and Special Assistant Agents, Ganjám and Vizagapatam, and the Deputy Inspectors of Vaccination, Ganjám and Vizagapatam, when travelling in the same tracts, receive daily allowances as in the following scale."

From J. P. HEWETT, Esq., C.I.E., Officiating Secretary to the Government of India, Home Department (Public), to the Chief Secretary to the Government of Madras, dated Simla, the 29th August 1895, No. 1279.

I am directed to acknowledge the receipt of your letter, No. 512, dated the 10th ultimo, bringing to notice that the Accountant-General has objected to pass daily allowances under Article 1258 of the Civil Service Regulations to two Revenue clerks, a muchi and three peons who accompanied the Senior Assistant Agent, Vizagapatam, on tour in the hill tracts, on the ground that the special rates allowable under that article were extended by the Government of India to the establishment of the Senior Assistant *Agent* and not to that of the Senior Assistant *Collector* of Vizagapatam.

His Excellency the Governor of Madras in Council considers that it is absolutely necessary for the efficient administration of the hill tracts that the officers in charge of them should travel as frequently as possible and with such portion of their joint establishments, whether technically classed as Revenue or Agency, as they may require to take with them for the efficient performance of their duties. It is further stated that the establishments of the Principal Assistant Agent and of the Head Assistant Collector in Vizagapatam should be included in Article 1258, as both these officers are required to travel in the hill tracts of Vizagapatam. The Government of Madras therefore suggests that Article 1258 of the Regulations should be amended so as to cover the cases under notice; and ask that sanction to this proposal, if accorded, may have retrospective effect from the 8th August 1894.

2. In reply, I am to say that the Governor-General in Council sanctions the proposals of the Government of Madras with retrospective effect from the date mentioned. Article 1258 of the Civil Service Regulations will accordingly be amended in the sense indicated in paragraph 5 of the letter under acknowledgment.

His Excellency the Governor of Madras in Council considers that it is absolutely necessary for the efficient administration of the hill tracts that the officers in charge of them should travel as frequently as possible and with such portion of their joint establishments, whether technically classed as Revenue or Agency, as they may require to take with them for the efficient performance of their duties. It is further stated that the establishments of the Principal Assistant Agent and of the Head Assistant Collector in Vizagapatam should be included in Article 1258, as both these officers are required to travel in the hill tracts of Vizagapatam. The Government of Madras therefore suggests that Article 1258 of the Regulations should be amended so as to cover the cases under notice; and ask that sanction to this proposal, if accorded, may have retrospective effect from the 8th August 1894.

2. In reply, I am to say that the Governor-General in Council sanctions the proposals of the Government of Madras with retrospective effect from the date mentioned. Article 1258 of the Civil Service Regulations will accordingly be amended in the sense indicated in paragraph 5 of the letter under acknowledgment.

From J. P. HEWETT, Esq., C.I.E., Officiating Secretary to the Government of India, Home Department (Public), to the Chief Secretary to the Government of Madras, dated Simla, the 29th August 1895, No. 1279.

I am directed to acknowledge the receipt of your letter, No. 512, dated the 10th ultimo, bringing to notice that the Accountant-General has objected to pass daily allowances under Article 1258 of the Civil Service Regulations to two Revenue clerks, a muchi and three peons who accompanied the Senior Assistant Agent, Vizagapatam, on tour in the hill tracts, on the ground that the special rates allowable under that article were extended by the Government of India to the establishment of the Senior Assistant *Agent* and not to that of the Senior Assistant *Collector* of Vizagapatam.

His Excellency the Governor of Madras in Council considers that it is absolutely necessary for the efficient administration of the hill tracts that the officers in charge of them should travel as frequently as possible and with such portion of their joint establishments, whether technically classed as Revenue or Agency, as they may require to take with them for the efficient performance of their duties. It is further stated that the establishments of the Principal Assistant Agent and of the Head Assistant Collector in Vizagapatam should be included in Article 1258, as both these officers are required to travel in the hill tracts of Vizagapatam. The Government of Madras therefore suggests that Article 1258 of the Regulations should be amended so as to cover the cases under notice; and ask that sanction to this proposal, if accorded, may have retrospective effect from the 8th August 1894.

2. In reply, I am to say that the Governor-General in Council sanctions the proposals of the Government of Madras with retrospective effect from the date mentioned. Article 1258 of the Civil Service Regulations will accordingly be amended in the sense indicated in paragraph 5 of the letter under acknowledgment.
