READ—the following paper :—

From the Postmaster-General, Madras, dated 5th Sept. 1895, No. 2–16819—D.P.I.

ORDER—dated 19th September 1895, No. 707, Financial.

The Postmaster-General has placed the budget estimate of the District Post establishment for 1896–97 at 1·07 lakh. This is ·22 lakh in excess of the actual expenditure in 1894–95, ·12 above the sanctioned grant of the current year, and ·17 over the revised estimate.

2. The increase is due to a lump provision for additional establishments which are stated to be required for effecting departmental improvements. The estimates will be accepted subject to reduction, if necessary, later in the year.

3. The grounds for the increase should have been explained in the column of explanatory remarks, as shown in the Appendix to these proceedings, instead of in the covering letter, which was unnecessary.

4. Details should be furnished for the provision of Rs. 596 under *Fixed and other contingencies.*

5. The Agent to the Governor, Ganjám, will submit details for the provision of Rs. 4,344 on account of the Ganjám Maliah post.

1. In G.O., No. 810, Financial, dated 3rd October 1894, a grant of 1·07 lakh was provisionally sanctioned for the year 1895-96, but this was subsequently reduced to ·95 in G.O., No. 132, Financial, dated 9th February 1895.

2. In G.O., No. 533, Financial, dated 19th July 1895, certain proposals were sanctioned, which had the effect of bringing up the annual cost of establishments to Rs. 94,520 for the year after the transfer of all remunerative establishments to the Imperial department. The revised estimate shows a smaller total, because these measures will take effect only from the 1st September or 1st October of the current year.

3. The budget estimate provides a sum of Rs. 12,480 for additional establishments, for adding to the number of cheap village post offices and village postmen and for a great number of very useful improvements. The Agent to the Governor in Vizagapatam has recommended certain measures, the cost of which alone will be Rs. 1,680 per annum, if they are carried out.

Sir,

I have the honor to submit the budget estimate of the District Post establishment of the Madras Presidency for the year 1896-97.

Entries in columns 4 & 5 explanatory remarks.

2. In G.O. No 810, Financial, dated 3rd October '94, a grant of 1.07 lakh was provisionally sanctioned for the year 1895-96, but this was subsequently reduced to .95 in G.O. No 132, Financial, dated 9th February '95.

3.

2 In G.O No. 533 Financial, dated 19th July '95, certain proposals were sanctioned which had the effect of bringing up the annual cost of establishments to Rs 94520 for the year, after the transfer of all remunerative establishments to the Imperial Department. The Revised Estimate shows a smaller total [of Rs 89500 only], because the measures [sanctioned in the G.O. just referred to] will take effect only from the 1st September or 1st October of the current year.

3 4. The budget estimate [now submitted] recommends that a provision [of Rs 1240 should be made] for additional establishments, [in order that the grant may be restored to] the [the sum at which it formerly stood, Rs 1,07,000, and which was at first provisionally sanctioned for the year 1895-96.] [The necessity of] for adding to the number of cheap village post offices and village postmen [has frequently been explained and I therefore need not repeat the reasons again. If funds can be made available,] and for a great number of very useful improvements [can be introduced: and I may mention that the] the Agent to the Governor in Vizagapatam has [recently recommended certain measures the cost of which alone will be Rs 1680

per

per annum, if they are carried out.

(*a*) Two runners in the Nellore District are each paid Rs. 5 extra per month for five months from 16th October to 14th March as subsidy for boat charges.

Explanatory Remarks.

1. In G.O., No. 810, Financial, dated 3rd October 1894, a grant of 1·07 lakh was provisionally sanctioned for the year 1895-96, but this was subsequently reduced to ·95 in G.O., No. 132, Financial, dated 9th February 1895.

2. In G.O., No. 533, Financial, dated 19th July 1895, certain proposals were sanctioned, which had the effect of bringing up the annual cost of establishments to Rs. 94,520 for the year after the transfer of all remunerative establishments to the Imperial department. The revised estimate shows a smaller total, because these measures will take effect only from the 1st September or 1st October of the current year.

3. The budget estimate provides a sum of Rs. 12,480 for additional establishments, for adding to the number of cheap village post offices and village postmen and for a great number of very useful improvements. The Agent to the Governor in Vizagapatam has recommended certain measures, the cost of which alone will be Rs. 1,680 per annum, if they are carried out.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

From the Postmaster-General, Madras, dated 5th Sept. 1895, No. 2–16819—D.P.I.

ORDER—dated 19th September 1895, No. 707, Financial.

The Postmaster-General has placed the budget estimate of the District Post establishment for 1896–97 at 1·07 lakh. This is ·22 lakh in excess of the actual expenditure in 1894–95, ·12 above the sanctioned grant of the current year, and ·17 over the revised estimate.

2. The increase is due to a lump provision for additional establishments which are stated to be required for effecting departmental improvements. The estimates will be accepted subject to reduction, if necessary, later in the year.

3. The grounds for the increase should have been explained in the column of explanatory remarks, as shown in the Appendix to these proceedings, instead of in the covering letter, which was unnecessary.

4. Details should be furnished for the provision of Rs. 596 under *Fixed and other contingencies.*

5. The Agent to the Governor, Ganjám, will submit details for the provision of Rs. 4,344 on account of the Ganjám Maliah post.
