READ—the following paper :—

From D. W. G. COWIE, Esq., Acting Registrar of the High Court of Judicature, Appellate Side, Madras, to the Chief Secretary to Government, dated 19th August 1895, No. 2235.

In returning the detailed bill for Rs. 2,189–15–6 of Messrs. Graves, Cookson & Co., the High Court Printers, the Accountant-General, on 13th May 1895, asked for its re-transmission with the certificate of the Superintendent, Government Press, Madras, required by G.O., No. 160, Financial, dated 15th February 1895, paragraph 2, to the effect that the work could not have been undertaken in the Government Press without inconvenience to the interests of the public service. On the 23rd idem, the bill was re-transmitted with the intimation that the Government order referred to did not seem to apply to printing work executed for the High Court, which was regulated by special contract under G.O., No. 1255, dated 25th October 1862. In reply the Accountant-General stated that the G.O., of 15th February 1895, made no exception in favour of the printing work done for the High Court, and pointed out that the orders of Government should be obtained.

2. I am to state that the printing work of the High Court is executed under the special circumstances detailed in this court's letter of 4th August 1879, No. 1130 (read in G.O., No. 1477, Public, dated 7th October 1879), and to request that His Excellency the Governor in Council will be pleased to exempt the High Court from furnishing the certificate in question.

ORDER—dated 19th September 1895, No. 710, Financial.

Paragraph 2 of G.O., No. 160, Financial, dated 15th February 1895, does not apply to printing work performed for the High Court by Messrs. Graves, Cookson & Co.

In what steps are taken from time to time to check M/ps. C. & Co's rates. Also what check is there on their quantities? I have considered that the rates being fixed, it takes a professional printer to check the quantities.
