Submitting the Budget
Estimates of the Provincial
Civil Service Examinations
for 1896-97

994: 16-11-84

I cannot see my way to agreeing. An examination of the tests, with a higher standard in several subjects, & only a few candidates can have any hope of passing, and I don't think the excess the Director counts on my \$2500 is an unreasonably price to pay for selecting a man of the kind we want for the Provincial Service.

As pointed out by the hon. Mr. Goss, the
circumstances are so peculiar, that we must be
prepared to face a loss. We ^{2nd Feb^{ry}} ~~SEPTEMBER~~ 1895, No. 758, FINANCIAL
must have an examining ~~machine~~ GOVERNMENT OF MADRAS.
of a high order to conduct FINANCIAL DEPARTMENT.
this examination, and must

have for it. I READ—the following paper:—

From the Director of Public Instruction, dated 14th September 1895, No. 10148, submitting the budget estimates of Provincial Civil Service Examinations for 1896-97.

ORDER—dated 2nd September 1895, No. 758, Financial.

Very well - This The estimates cannot be accepted as submitted by the Director.

2. The actuals of 1894-95 showed an expenditure of Rs. 2,423 in excess of the receipts, while the revised and budget estimates of the current and ensuing years provide for similar deficits of Rs. 2,242 and Rs. 2,380, respectively.

3. The Government sees no reason why these examinations should be conducted at a loss to Provincial Revenues, and the necessary measures will be adopted in the Educational Department to produce equilibrium in future.

4. The estimates for 1896-97 have been reduced on the basis of a single year's experience of the working of the rules; the receipts will be raised to Rs. 2,000 and the charges fixed at Rs. 3,000 as shown in the Appendix to these Proceedings.

This is my stand. The Director is sure to object
as he cannot say will make bricks without straw.
The only thing that he can do apparently
is to propose raising the fees. But that alone
will hardly put matters straight. To produce
equilibrium the Govt. would have to be cut.
