(g) With the grant of Rs 1100 for the current year 10 new tables and chairs and record books have already been made and 10 new chairs ordered. More tables and chairs and about 100 record books are still required. The hospital also requires a few articles of furniture. The present tables and chairs were made in very old times and have become untraceable.

(h) Includes boat hire for the detachment of the staff for proceeding to Malacca, with the Asst. Resident and Asst. Surgeon. The staff were there from 1st July to 1st August 95. The staff had to be taken back already to Malacca.

(i) The abnormal increase here is due to the inclusion of the cost of making new belts for the horses.
