Budget Estimate.

Passing orders on the — of the Jail Department for 1896–97.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

From A. G. CARDEW, Esq., M.A., Inspector-General of Prisons, to the Chief Secretary to Government, dated Cuddalore, No. C. 957, 27th September 1895.

I have the honour to submit the budget estimate of the Jail Department for 1896–97. All important variations are explained in the column of remarks. It will be understood that the reduction in the provision for temporary warders, for rations, clothing, etc., are dependent on the jail population remaining fairly stationary. A bad season resulting in a large increase in the number of admissions accompanied by a heavy rise in food prices would, of course, upset these estimates. There is, however, no reason to anticipate any such change at present.

2. A separate estimate has been prepared and is submitted for the allotment required for the Cuddalore district jail buildings under 45, Civil Works—Civil Officers. The revised estimate has been placed at Rs. 70,000. I have just visited the works and find that they are making good progress. All the outside buildings—*viz.*, warders' lines, quarters for jailor, assistant jailors and medical subordinate, quarantine yard, civil debtors' yard and dead-house—will, it is hoped, be finished within the year, while the whole of the main wall will be raised to about six feet above ground level and considerable progress made with the main gates and offices. At least the amount included in the revised estimate will be required. Within 1896–97 there is reason to hope that the greater part of the jail buildings will be completed. This, however, is dependent on the early collection of materials in advance, and for this purpose funds are necessary. The quicker the work is finished the greater will be the economy. The work carried out so far seems to me to be of very satisfactory quality.

From the same officer, No. C.-1139, furnishing details under contingencies.

ORDER—No. 778, Financial, dated 7th October 1895.

The estimates submitted by the Inspector-General of Prisons, which have been carefully prepared, compare as follows with the grant for the current year and the actuals of 1894–95 :—

—	Budget estimate, 1896–97.	Revised estimate, 1895–96.	Budget estimate, 1895–96.	Actuals, 1894–95.

Total ..	11·60	11·19	11·10	10·26

The figure against *Jail Manufactures* in the fourth column has been altered with reference to the decision * of the Government of India to transfer the provision of ·50 lakh in the estimates of the current year for the construction of a new jail at Cuddalore from "19-B, Law and Justice—Jails" to "45, Civil Works—Civil Officers."

* G.O., No. 627, Financial, dated 28th August 1895.

2. The provision for *Exchange Compensation Allowance* under "Superintendence—Salaries" should have been calculated on a market rate of 1*s.* 1*d.* the rupee. The necessary correction will be made and the allotment for *Contingencies* under the same head will be reduced with reference to the actuals of 1894–95.

G.O., No. 671, dated 6th September 1895.

3. The following deductions will also be made :—

(i) Under "Salaries—Central Jails"—
·03 for probable savings.

(ii) Under "Salaries—District Jails"—
·01 on the same account.

(iii) Under "19-B*b*, Jail Manufactures"—
·02 Central Jails.
·01 District ,,

4. The grants for 1896–97 will then stand as follows, as shown in the appendix to these proceedings :—

19-B*b*, Jail Manufactures	3 38
	10·53
45, Civil Works—Civil Officers	1·00

5. In order to cover the expenditure in excess of the budget grant for the current year on the new jail at Cuddalore a sum of ·11 lakh will be transferred from 19-B, *Law and Justice—Jails*, to 45, *Civil Works—Civil Officers*. The Inspector-General will apply for the remaining ·09 lakh later on if the amount is required.

* The expenditure is controlled by the Inspector-General of Prisons.
† Includes Rs. 50,000 for the Mount Capper Jail, Cuddalore, since transferred to 45. Civil Works.

EXPLANATORY REMARKS.

(*a*) The increase is due to the entertainment of an attender sanctioned in G.O., No. 77, Financial, dated 28th January 1895.

(*b*) The difference between the accounts and the estimates is explained by the fact that the northern jails were not inspected during the year 1894.

(*c*) The addition of Rs. 12 is due to the provision of warm clothing for the attender sanctioned in G.O., No. 506, Public, dated 21st June 1895.

(*b*) One scavenger's appointment on Rs. 6 abolished owing to the abolition of the Madarpak Sub-Jail.

(*c*) Increase of pay was given to the scavenger on Rs. 4 in the Bezwada Sub-Jail in G.O., No. 463, Financial, dated 8th May 1894. Provision for increase of pay is made to another from Rs. 3 to Rs. 5 in the Salem Sub-Jail—*vide* District Magistrate's letter, Reference on No. 968 M.R., dated 10th September 1895.

(*d*) One on Rs. 4 was sanctioned for the Ambur Sub-Jail (G.O., No. 1103, Financial, dated 7th November 1893).

The cost of rations has been taken at Rs. 27 in Central Jails, Rs. 25½ in District Jails and Rs. 40 in Sub-Jails, that being the actual average cost of the year 1894, while the number of prisoners to be rationed has been fixed on the actual average population of the first seven months of the current year, *i.e.*, the months from January to July (inclusive).

The difference between the accounts and the estimates is due to the above calculation. The Accountant-General having lately ruled that the value of medical stores supplied to jails is to be adjusted against this department instead of against the military budget, as hitherto provision has been made under "Other items" in Presidency Jails, under "Arms and Military supplies" in Central Jails and under "stores from Military Department" on District Jails.

The estimate under clothing and bedding has been calculated at Rs. 2-8-0 in Central Jails and Rs. 2 in District Jails. The charge for clothing which was hitherto debited to the supplying Central Jails will in future be debited to the Jail receiving the supply. It will be observed that there is a corresponding decrease under Central Jails as compared with the budget for the current year.

(*e*) Under G.O., No. 865, Public, dated 14th November 1894.

Nil. Thus scale is incorrect at 1½.

(a) The increase is due to the entertainment of an attender sanctioned in G.O. No. 77 Jud.; dated 28th January 1895.

(b) The difference between the accounts and the Estimates is explained by the fact that the northern jails were not inspected during the year 1894.

(c) The addition of Rs. 12/- is due to the provision of warm clothing for the attender Sanctioned in G.O. No. 506 Public, dated 21st June 1895

(d) Drawing at the rate of Rs. 80/- per mensem under the old scale.
(e) —— Do —— 60/- —— do ——

(f) The higher rate of pay is due to the appointment of Surg: Capt Fearnside as Supt: Cud: Jail Cannanore, and to the provision for a Commissioned Medical officer for the Salem Cud: Jail as ordered in G.O. No. 1857 Jud 4th Sept. 1895.

(g) The difference is due to the temporary abolition of the Cuddapah Jail and to the conversion of the general into Medical charge of the Cuddalore Dist: Jail. vide G.O.s No. 587 Jud 11 May 1894 & No. 3570 Jud 12.12.94 respectively.

The cost of rations has been taken at Rs 27/- in Cent. Jails, 25½ in Dist: Jails and Rs 40 in Sub Jails, that being the actual average cost of the year 1894, while the number of prisoners to be rationed has been fixed on the actual average population of the 1st 7 months of the current year i.e the months from January to July (inclusive)

The difference between the accounts and the estimates is due to the above Calculation.

The Auditor General having lately ruled that the value of Medical Stores supplied to Jails is to be debited against this Deptt: instead of against the Military budget, as hitherto provision has been made under "Other Items" in Presidency Jails under "Stores and Military Supplies" in Central Jails and under "Stores from Military Deptt" in Dist Jails.

The estimate under clothing and bedding has been calculated at Rs 2/8 in Cent. Jails and Rs 2/- in Dist: Jails. The charge for clothing which was hitherto debited to the supplying Central Jails will in future be debited to the Jail receiving the supply. It will be observed that there is a corresponding decrease under Central Jails as compared with the Budget for the current year.

OFFICE OF THE INSPECTOR-GENERAL OF ~~JAILS~~,

Dated 27th September 1895.

From

A. G. CARDEW, ESQ., M.A.,

INSPECTOR-GENERAL OF ~~JAILS~~, Prisons.

To

THE Hon'ble Mr. J. F. Price C.S.I.

CHIEF SECRETARY TO GOVERNMENT,

SIR,

Enclosure.

I have the honour to submit the Budget Estimate of the Jail Department for 1896-97. All important variations are explained in the Column of remarks. It will be understood that the reduction in the provision for temporary warders, for rations, clothing etc are dependent on the Jail population remaining fairly stationary. A bad season resulting in a large increase in the number of admissions accompanied by a heavy rise in food prices would of course upset these estimates. There is, however, no reason to anticipate any such change at present.

2. A separate estimate has been prepared and is submitted for the allotment required for the Cuddalore District Jail buildings under 45 Civil Works Civil officers. The revised estimate has been placed at Rs. 70,000. I have just visited the works and find that they are making good progress. All the outside buildings Vig: Warders' Lines, Quarters for Jailor, Assistant Jailors and

and Medical Subordinate, Quarantine Yard, Civil
Debtors' Yard and Deadhouse will, it is hoped, be finished
within the year, while the whole of the Main wall will be
raised to about 6 feet above ground level and consi-
derable progress made with the Main Gates and offices.
At least the amount included in the revised
estimate will be required. Within the revised
reason to hope that the greater part of the Jail buildings
will be completed. This, however, is dependent on the early
collection of materials in advance of funds are necessary. The quicker the work is finished,
the greater will be the economy. The
far seems to me to be of very satisfactory work carried out so
factory quality.

3. The detailed accounts as details
para 80 of the Budget instructions to be furnished under
"Contingencies" will follow.

This may stand but my impression is that we have made too large a provision under Rations, as the season is good & prices seem to be falling pretty generally — However, we can, if needful, revise later on

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following paper:—

From A. G. CARDEW, Esq., M.A., Inspector-General of Prisons, to the Chief Secretary to Government, dated Cuddalore, 27th September 1895, No. C. 957.

I have the honour to submit the budget estimate of the Jail Department for 1896–97. All important variations are explained in the column of remarks. It will be understood that the reduction in the provision for temporary warders, for rations, clothing, etc., are dependent on the jail population remaining fairly stationary. A bad season resulting in a large increase in the number of admissions accompanied by a heavy rise in food prices would, of course, upset these estimates. There is, however, no reason to anticipate any such change at present.

2. A separate estimate has been prepared and is submitted for the allotment required for the Cuddalore district jail buildings under 45, Civil Works—Civil Officers. The revised estimate has been placed at Rs. 70,000. I have just visited the works and find that they are making good progress. All the outside buildings—*viz.*, warders' lines, quarters for jailor, assistant jailors and medical subordinate, quarantine yard, civil debtors' yard and dead-house—will, it is hoped, be finished within the year, while the whole of the main wall will be raised to about six feet above ground level and considerable progress made with the main gates and offices. At least the amount included in the revised estimate will be required. Within 1896–97 there is reason to hope that the greater part of the jail buildings will be completed. This, however, is dependent on the early collection of materials in advance, and for this purpose funds are necessary. The quicker the work is finished the greater will be the economy. The work carried out so far seems to me to be of very satisfactory quality.

From the same officer, No. C.-1139, furnishing details under contingencies.

Order—No. 778, Financial, dated 7th October 1895.

EXPLANATORY REMARKS.

(a) The increase is due to the entertainment of an attender sanctioned in G.O., No. 77, Financial, dated 28th January 1895.

(b) The difference between the accounts and the estimates is explained by the fact that the northern jails were not inspected during the year 1894.

(c) The addition of Rs. 12 is due to the provision of warm clothing for the attender sanctioned in G.O., No. 506, Public, dated 21st June 1895.

(*b*) Drawing at the rate of Rs. 60 per mensem under the old scale.

(*c*) The higher rate of pay is due to the appointment of Surgeon-Captain Fearnside as Superintendent, Central Jail, Cannanore, and to the provision for a commissioned medical officer for the Salem Central Jail as ordered in GO., No. 1857, Judicial, dated 4th September 1895.

(*d*) The difference is due to the temporary abolition of the Cuddapah Jail and to the conversion of the general into medical charge of the Cuddalore District Jail—*vide* G.Os., No. 987, Judicial, dated 11th May 1895, and No. 3070, Judicial, dated 12th December 1894, respectively.

(*e*) Due to the abolition of the Cuddapah District Jail.

(*f*) Included under *Warder establishment*—District Jails.

(*g*) Due to the abolition of the post of jailor on Rs. 20 of the Masulipatam Sub-Jail.

(*h*) The reduction is due to the abolition of the Cuddapah Jail.
(*i*) Included under *Salaries*—District Jails.
(*j*) The appointments of two warders on Rs. 8 in the Masulipatam Sub-Jail were abolished. Thirteen warders on Rs. 6 were sanctioned for the following Sub-Jails:—

(b) One scavenger's appointment on Rs. 6 abolished owing to the abolition of the Madarpak Sub-Jail.

(c) Increase of pay was given to the scavenger on Rs. 4 in the Bezwada Sub-Jail in G.O., No. 463, Financial, dated 8th May 1894. Provision for increase of pay is made to another from Rs. 3 to Rs. 5 in the Salem Sub-Jail—*vide* District Magistrate's letter, Reference on No. 968 M.R., dated 10th September 1895.

(d) One on Rs. 4 was sanctioned for the Ambur Sub-Jail (G.O., No. 1103, Financial, dated 7th November 1893).

The cost of rations has been taken at Rs. 27 in Central Jails, Rs. 25½ in District Jails and Rs. 40 in Sub-Jails, that being the actual average cost of the year 1894, while the number of prisoners to be rationed has been fixed on the actual average population of the first seven months of the current year, *i.e.*, the months from January to July (inclusive).

The difference between the accounts and the estimates is due to the above calculation. The Accountant-General having lately ruled that the value of medical stores supplied to jails is to be adjusted against this department instead of against the military budget, as hitherto provision has been made under "Other items" in Presidency Jails, under "Arms and Military supplies" in Central Jails and under "stores from Military Department" on District Jails.

The estimate under clothing and bedding has been calculated at Rs. 2-8-0 in Central Jails and Rs. 2 in District Jails. The charge for clothing which was hitherto debited to the supplying Central Jails will in future be debited to the Jail receiving the supply. It will be observed that there is a corresponding decrease under Central Jails as compared with the budget for the current year.

(e) Under G.O., No. 865, Public, dated 14th November 1894.

Budget Estimate.

Passing orders on the — of the Jail Department for 1896–97.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following paper:—

From A. G. CARDEW, Esq., M.A., Inspector-General of Prisons, to the Chief Secretary to Government, dated Cuddalore, 27th September 1895, No. C. 957.

I have the honour to submit the budget estimate of the Jail Department for 1896–97. All important variations are explained in the column of remarks. It will be understood that the reduction in the provision for temporary warders, for rations, clothing, etc., are dependent on the jail population remaining fairly stationary. A bad season resulting in a large increase in the number of admissions accompanied by a heavy rise in food prices would, of course, upset these estimates. There is, however, no reason to anticipate any such change at present.

2. A separate estimate has been prepared and is submitted for the allotment required for the Cuddalore district jail buildings under 45, Civil Works—Civil Officers. The revised estimate has been placed at Rs. 70,000. I have just visited the works and find that they are making good progress. All the outside buildings—viz., warders' lines, quarters for jailor, assistant jailors and medical subordinate, quarantine yard, civil debtors' yard and dead-house—will, it is hoped, be finished within the year, while the whole of the main wall will be raised to about six feet above ground level and considerable progress made with the main gates and offices. At least the amount included in the revised estimate will be required. Within 1896–97 there is reason to hope that the greater part of the jail buildings will be completed. This, however, is dependent on the early collection of materials in advance, and for this purpose funds are necessary. The quicker the work is finished the greater will be the economy. The work carried out so far seems to me to be of very satisfactory quality.

3. The detailed accounts required by paragraph 80 of the budget instructions to be furnished under "Contingencies" will follow.

Order—No. 778, Financial, dated 7th October 1895.

The estimates submitted by the Inspector-General of Prisons, which have been carefully prepared, compare as follows with the grant for the current year and the actuals of 1894–95:—

—	Budget estimate, 1896–97.	Revised estimate, 1895–96.	Budget estimate, 1895–96.	Actuals, 1894–95.

Total	11·60	11·19	11·10	10·26

The figure against *Jail Manufactures* in the fourth column has been altered with reference to the decision * of the Government of India to transfer the provision of ·50 lakh in the estimates of the current year for the construction of a new jail at Cuddalore from "19-B, Law and Justice—Jails" to "45, Civil Works—Civil Officers."

* G.O., No. 627, Financial, dated 28th August 1895.

2. The provision for *Exchange Compensation Allowance* under "Superintendence—Salaries" should have been calculated on a market rate of 1*s.* 1*d.* the rupee. EXPLANATORY REMARKS.

(a) The increase is due to the entertainment of an attender sanctioned in G.O., No. 77, Financial, dated 28th January 1895.

(b) The difference between the accounts and the estimates is explained by the fact that the northern jails were not inspected during the year 1894.

(c) The addition of Rs. 12 is due to the provision of warm clothing for the attender sanctioned in G.O., No. 506, Public, dated 21st June 1895.

(*b*) Two temporary scavenger cart drivers sanctioned in G.O., No. 721 R., Financial, dated 6th August 1895.

(*c*) One scavenger's appointment on Rs. 6 abolished owing to the abolition of the Madarpak Sub-Jail.

(*d*) Increase of pay was given to the scavenger on Rs. 4 in the Bezwada Sub-Jail in G.O., No. 463, Financial, dated 8th May 1894. Provision for increase of pay is made to another from Rs. 3 to Rs. 5 in the Salem Sub-Jail—*vide* District Magistrate's letter, Reference on No. 968 M.R., dated 10th September 1895.

(*e*) One on Rs. 4 was sanctioned for the Ambur Sub-Jail (G.O., No. 1103, Financial, dated 7th November 1893).

The cost of rations has been taken at Rs. 27 in Central Jails, Rs. 25½ in District Jails and Rs. 40 in Sub-Jails, that being the actual average cost of the year 1894, while the number of prisoners to be rationed has been fixed on the actual average population of the first seven months of the current year, i.e., the months from January to July (inclusive).

The difference between the accounts and the estimates is due to the above calculation. The Accountant-General having lately ruled that the value of medical stores supplied to jails is to be adjusted against this department instead of against the military budget, as hitherto provision has been made under "Other items" in Presidency Jails, under "Arms and Military supplies" in Central Jails and under "stores from Military Department" on District Jails.

The estimate under clothing and bedding has been calculated at Rs. 2-8-0 in Central Jails and Rs. 2 in District Jails. The charge for clothing which was hitherto debited to the supplying Central Jails will in future be debited to the Jail receiving the supply. It will be observed that there is a corresponding decrease under Central Jails as compared with the budget for the current year.

(*f*) Under G.O., No. 865, Public, dated 14th November 1894.
