EXPENDITURE.

An advance payment of Rs. 8,000 was made in January 1895 which has been adjusted in April 1895. Hence the decrease in the revised estimate.

The higher provision in the revised estimate for 1895-96 and in the budget estimate for 1896-97 is due to the transfer to this head in the current year from pensions in lieu of resumed lands of the allowance of Rs. 11,400 to the ex-Zemindar of Charnahal (Kistna) as it was given not in lieu of property given up to Government, but as a charitable allowance out of consideration for an ancient family—vide Government Order, No. 458, Revenue, dated 27th June 1888. The further increase in the revised over the budget provides for payment of arrears.

(a) For want of information, no provision is made in the budget estimate for 1896-97. The revised estimate provides in thousands of rupees for payments already made.

EXPLANATORY REMARKS.

An advance payment of Rs. 8,000 was made in January 1895 which has been adjusted in April 1895. Hence the decrease in the revised estimate.

The higher provision in the revised estimate for 1895-96 and in the budget estimate for 1896-97 is due to the transfer to this head in the current year from pensions in lieu of resumed lands of the allowance of Rs. 11,400 to the ex-Zemindar of Charnahal (Kistna) as it was given not in lieu of property given up to Government, but as a charitable allowance out of consideration for an ancient family—vide Government Order, No. 458, Revenue, dated 27th June 1888. The further increase in the revised over the budget provides for payment of arrears.

(a) For want of information, no provision is made in the budget estimate for 1896-97. The revised estimate provides in thousands of rupees for payments already made.
