I certify that I have compared the actuals for
1894-95 with the gross sums expended
in District as supplied to me by the Acc-
General. & that I have also compared them
with returns I have received, at my request,
through Collectors from District. ~~There are~~
There are certain discrepancies which I cannot
yet explain but the difference in the total is
not large & I am at work to ascertain where
the mistakes lie. I believe the returns from
Sud to Zoon are the correct ones.

GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

READ—the following paper :—

From the Venerable the Archdeacon of Madras, to the Chief Secretary to Government, dated 16th October 1895, No. 2313.

I have the honour to submit the following estimates for the year 1896-97 :—

	RS.
(1) Petty construction and repairs to churches	4,956
(2) Do. do. to cemeteries	5,639
(3) Cemetery establishments	4,974

2. Certain churches will require somewhat extensive repairs in this year; and the Resident of Mysore has applied, in addition to the sum required for ordinary repairs to cemeteries, for a further sum of Rs. 1,150 for repairs to tombs which the Government of India direct should be kept up—*vide* letter from the Assistant Secretary to the Government of India, No. 226-I., to the Chief Secretary to the Government of Fort St. George, dated 18th January 1895 (Foreign Department).

3. The decrease in the amount for cemetery establishments is owing to reductions sanctioned by Government in G.O., No. 63, Ecclesiastical, dated 7th September 1895.

ORDER—No. 853, Financial, 1st November 1895.

The Venerable the Archdeacon should, in future, frame his estimates in accordance with the form shown in the appendix to these proceedings. Detailed statements of establishments are unnecessary; annas and pies should invariably be omitted.

2. The provision on account of repairs to churches and cemeteries is considerably in excess of the actuals of past years and the grant for the current year. A reduction of Rs. 200 under *Cemeteries* and of Rs. 456 under *Churches* will be made, and the total grant fixed at Rs. 15,000.

3. The Venerable the Archdeacon will be at liberty to redistribute the grants as he may consider necessary.
