The Chief Secretary
Government of Madras

Honoured Sir,

(1) According to the order of the Madras Govt. dated 18th May 1895 we have received a copy of "Madras manual of Administration (3 Vols) & other 5 books for the Adyar Library, & for which kind - ness the Library Committee desires me to return its sincere thanks to the Govt.

(2) As regards the District manuals & Census reports we applied for we have received on 18th June last a letter from the Revenue Department stating that they were not supplying gratis the copies abovementioned. We have not sufficient funds to purchase such valuable books, & this public library is being supported by voluntary contributions alone, & many visitors are being disappointed when they come here from long distances to refer to such books, we request our patriotic Govt. to supply with the district manuals & Census reports, as this is the only free public library in this presidency.

(3) Again from the letter of this Govt. 8th May 1895 para 2 says "the Government of India will be addressed as regards the Archeological Survey Reports." We availed applied to Govt of India for these Reports. The result was, we received from the said Govt. dated 11th June
