PROCEEDINGS OF THE MADRAS GOVERNMENT

Read the following letter from the Government of India, Department of Revenue and Agriculture, dated 4th October 1895 , No 2842/270-4.

With reference to the correspondence ending with your letter No 3250 dated 14th August last , regarding the modification of Article 67 of the Civil Service Regulations so as to empower the Board of Revenue to authorize transfers of charge by subordinate officers at places other than their head quarters , I am directed to say that the Government of India regret their inability to sanction the proposal of the Government of Madras. I am to point out that the rule referred to is intended to meet exceptional cases only, and ,if kept within that purpose , is not liable to the objection that it gives rise to avoidable routine correspondence. The delegation proposed would cause the Madras practice to differ even more widely than at present from that in force in other provinces , and the Government of India are of opinion that the rules are sufficiently liberal as they stand.
