Fort St. George,
Accountant-General's Office,
30th October 1895.

No. 3006

From F. C. Harrison Esquire,
Offg. Accountant-General to the
Government of Madras,

To The Chief Secretary to Government,
Financial Department.

Sir,

With reference to your official memorandum No. 2332, dated the 1st of October 1895, I have the honour to state that arrangements have been accordingly made with the Superintendent Government Press to have the Civil Estimates printed in the form and type required by the Comptroller General for submission to Government without fail on the 15th of January.

2. It will not, I think, be practicable or convenient to print the departmental estimates with the remarks as they are passed by Government; for the Revised Estimates are framed by me on later actuals and the figures

figures entered as the accounts of the previous year are also changed in my office. I therefore propose to print the Budget figures as passed and my Revised Estimates and figures for the accounts in the appropriate columns. All departmental remarks upon the Budgets which appear of any importance, administrative or otherwise, will be reproduced and I will adopt also any suggestions upon the Revised Estimates that appear worth incorporation. These sheets when in proof will be submitted to Government as they are prepared. It may happen that some of the Revised figures will be framed on 7 months actuals and will therefore not be final until the beginning of January when another month's actuals will be available.

2 I may mention that Local Fund figures are not given in the orders reviewing departmental estimates. They will be added by me.

I have the honour to be,
Sir,
Your most obed't Servant,

H Manisty
Offg Accountant General.
