Proceedings of the Board of Revenue

Dated 3rd September 1895.

Forest No. 492 Routine Miscellaneous.

READ the following letter from E. D. M.
Hosper Esquire, Acting
Conservator of Forests, Madras
Circular, dated 16th August 1895 No. 529.

I have the honor to Solicit
the Forest Member's orders as to
disposing of the Services of Foresters
Parthasarady Aided who came
from Dehra Dun College in April
last where his mind became
deranged.

2. His case was referred to the
S^t Surgeon of Chingleput some
months ago but I am not yet in
possession of any medical Certificate,
So am debarred from passing

orders

orders granting leave.

3. I have received various letters from the Horseholder which lead me to suppose his mind is still very seriously affected and that he is not capable of managing his affairs sufficiently to justify my taking his acknowledgment of the receipt of leave allowances. I therefore solicit the Board's orders.

Resolution

The Conservator should address the District Surgeon, Chingstomb and ascertain the cause of delay in granting the Medical Certificate. If it is found that the Horseholder is evading Medical examination he should be informed that he will forfeit his appointment for absence without leave if the Medical Certificate is not produced within a specified date.

2. The question of granting him leave and of disbursement of leave allowances to him or of refusing him

him from the service altogether should depend on the nature of the Medical Certificate produced.

Resolution.

In para 3 of his letter disposed of in the B.P. read again above, the Conservator, A. L. requested the Board's orders as to how leave allowances should be paid to Fosterer. Mr. Dr. Parthasarathy Aiyar who became insane while at the Dehra Dun Fosterer School and was sent back to Madras. The Conservator observed that the Fosterer appeared to him to be incapable of managing his own affairs and that he could not therefore accept his acknowledgment for the leave allowances. As however, the Conservator reported that the Fosterer's case had been referred to the District Surgeon, Chingleput, who had not yet granted a Medical Certificate, the

the Board stated that the question of granting the Fosterer leave and of disbursement of leave allowances to him should depend upon the nature of the Medical Certificate produced.

2. With his endorsement read above, the Conservator now forwards the Medical Certificate granted to the Fosterer and requests to be informed to whom leave allowances may be paid. As no authoritative ruling can be traced on the point in the Financial Codes, the Board resolves to refer the case for the orders of Government.

Note The case is a curious one. Article 27 of the C. A. Code provides for deceased officers but there is no provision for widows. But tho' the man may be mad, there is no reason why he should not sign the acknowledgement.
