5th November 1895.

I have the honor to request

that a new string double bass be

purchased for the use of the late

Governor's Band its value of the two

instruments at present in the band, is

not of good quality of tone and is

though fair wear and that in

rather a bad condition; this instrument

was purchased as far as I can

remember in 1870.

Prices for good string double basses

in England range from £18 to

£25; instruments of inferior

make of worse may be had

January 7th November 1895.

No 327.

From

Major The Honble R. J. Lawley
THE MILITARY SECRETARY TO THE

RIGHT HONORABLE THE GOVERNOR,

To

The Chief Secretary
to Government
Fort Saint George.

SIR,

I have the honour to forward a letter received from the Superintendent His Excellency the Governor's Band and to strongly support the application contained in his letter. I have personally inspected both our own Double Basses and the one belonging to the 27th Madras Infantry, and consider that the price asked for the latter is moderate and that it is a very favourable opportunity for securing a good instrument to replace one of our own which is practically worn out.

2. As the annual sum of Rs 500/- allotted for the purchase of music and petty repairs is insufficient to meet this unusual expenditure I have the honour to ask that the sanction of Government may be obtained to the admission of this charge.
3. The condemned instrument will be sold to the best advantage and the proceeds credited to Government.

I have the honour to be,

Sir,

Your most obedient Servant,

R. J. Lawley

Major,

Military Secretary.
