SIR,

Inquiry With reference to G.O. No. 809
dated the 11 October 1895 ~~Financial~~, I
have the honor to state that copies of
type design of quarters for hospital
assistants were only received in this
office last month and are now being
circulated to Medical Officers in charge
of Presidency Hospitals, District and
Civil Stations with instructions to obtain
from the Public Works Department
an estimate of the cost of accommo-
-dation for the several hospital
assistants attached to the Provincial
institutions. In the absence of infor-
-mation, it was not possible to make
provision on this account in the
Budget estimate for 1896-97 but allow-
-ance for house rent is provided pend-
-ing the construction of quarters.

2. The Statement called for by Government will be forwarded as soon as estimates are received in this office

I have the honor to be,

PUBLIC WORKS DEPARTMENT.

MEMORANDUM.

Dated Madras, 18th November 1895.

In reply to Memo: from the Financial Department dated 13th. November 1895, No. 2721, it is observed that provision will be made in the Public Works Budget for all Civil Hospital Assistants' quarters on estimates for such works being duly approved in the Public and sanctioned in the Public - Works, Department; but that up to date no such estimates have come before Government in this Department. The standard plan for these quarters has not long been issued, and it is not therefore likely that many quarters will be sanctioned and completed before the end of 1896-97. It would therefore be safe for the Financial Department to make provision in the Civil Budget for compensation in the case of all Hospital Assistants attached to Provincial Institutions who are not already accommodated in those buildings. The Surgeon General with the Government of Madras will probably be able to say which of these officers are so accommodated and which not.
