Local and Municipal Department,

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Accountant-General, Madras, dated 2nd November 1895, No. 3046:—

In forwarding the enclosed letter to Government from the Sanitary Engineer, No. 3165, dated 30th October 1895, I have the honour to state that Article 137(a) of the Civil Account Code is not in my opinion intended for cases such as that put by Mr. Jones. In the circumstances explained the amount may be treated as a grant, the next grant being reduced by an equivalent amount.

A reappropriation to meet the grant will be necessary.

Enclosure.

Letter from the Sanitary Engineer to Government, dated 30th October 1895, No. 3165:—

I have the honour with reference to letter No. 1088 of 24th October 1895, from the Chairman of the Municipal Council, Madras (copy enclosed) to state that the amount of money required viz. Rs. 500 is for payment of a balance due on Machinery for Madras Water Works for which a bill has been drawn on me at 30 days sight (due 25th November 1895) by the Sanitary Engineer's Agents in England who paid the amount due to Messrs. Simpson & Co. the contractors.

2. When the payment was authorised I on the 18th October 1895 requested the Chairman to place the necessary funds at my disposal— to this I had no reply and I sent a reminder on 22nd.

October 1895, and elicited the letter already referred to above.

3. As the bill must be met (or if not met, will be dishonoured) and it is drawn against me as a Government Officer, it is very necessary that by some means funds should be placed at my disposal.

4. It will be, I believe more than six weeks before the Municipal Council will receive the loan and meantime therefore I request Government will relieve me from the necessity of dishonouring the bill by placing the amount of Rs. 6,500 to my credit as an advance under Article 137(a) of Civil Account Code or otherwise.

G. R. D. E. R. No. 1889 M. M. S. dated 14 November 1895.

As no grant is due to the Municipal Council of Madura, the Accountant-General will be requested to place the sum of Rs. 6,500, now required, at the disposal of the Sanitary Engineer by reappropriation from the grant of Rs. 40,000, to the Tirupati Municipality provided in the current year's budget of Provincial loans and advances, and to recoup the amount from the loan of Rs. 31,500 which will probably have to be paid to the Madura Municipality shortly.
