GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following papers :—

From the Registrar of the High Court, dated 16th November 1895, No. 3272, forwarding the budget estimate of receipts and charges under Law and Justice for 1896–97.

From the same officer, dated 22nd November 1895, No. 3370.

Order—No. 930, Financial, dated 27th November 1895.

The receipts under *XVI-A., Law and Justice*, for the current year have been raised by the High Court in the revised estimate from Rs. 7,17,000 to Rs. 7,51,180 and the budget estimate for 1896–97 has been fixed at Rs. 7,43,400. The explanations given by the High Court have been confined to comparisons of past actuals with those for the current year. It would assist in arriving at more correct estimates if the reasons for the variations in the figures were, when practicable, also stated. The Hon'ble the Judges will be requested to be so good as to furnish such information in future. The anticipated receipts in 1896–97 from "Magisterial fines" will, with reference to the revised estimate and the progressive increase in actuals, be raised by Rs. 16,000 and the figures rounded off to even thousands of rupees. The budget estimate of receipts will then stand at 7·60 lakhs.

2. *Expenditure.*—The estimates have been carefully prepared and will be accepted subject to the following remarks :—

(i) 19*Aa.*, *High Court Judges.*—A provision of Rs. 50,000 will be added on account of the pay and exchange compensation allowance of a fifth Puisne Judge whose appointment has been recommended to the Right Hon'ble the Secretary of State for India in Judicial Proceedings, No. 1580–1, dated 27th July 1895.

(ii) 19*Ab.*, *Law Officers.*—The provision of Rs. 94,000 for "Fees to Pleaders" will, with reference to past actuals, be raised to one lakh.

(iii) An allotment of Rs. 9,000 will be made for the Temporary Subordinate Judge at Tinnevelly.

(iv) A provision of Rs. 22,910 has been made for "Petty construction and repairs" under 19Ad., *Civil and Sessions Courts* against an actual expenditure of Rs. 7,967 in 1894–95 and a revised estimate of Rs. 9,605 for the current year. The High Court is of opinion that the works are absolutely necessary and the allotment will be admitted on the understanding that it will be fully utilized. The increased provision for the same item under 19Af. *Criminal Courts* will likewise be permitted to stand.

(v) A sum of Rs. 11,000 representing one-fifth of the charges on account of horse allowance to Tahsildars and Deputy Tahsildars, will be added under the last-mentioned head.

3. The Hon'ble the Judges of the High Court will be requested to be so good as to make arrangements for exhibiting actuals and averages against *each* item under *Allowances*, *Supplies and Services* and *Contingencies* in future estimates.

(*a*) This includes a provision for the travelling allowance of the Bellary-Salem Subordinate Judge and his office establishment now on duty in Coimbatore.

(*b*) This estimate is the total of the figures returned by District and Sessions Judges and has been accepted being only about Rs. 2,000 less than the revised estimate and the average of the past three years though Rs. 5,500 over the actuals for the last year. This is a fluctuating charge.

(*c*) This is the figure returned by the Agent to the Governor, Ganjám. The increase in the actuals for 1894-95 was due to the expenditure of Rs. 4,000 odd in the purchase of elephants.

(*d*) This provision is necessary for the petty works and repairs proposed by District Judges to be carried out during 1896-97 and is the probable aggregate cost of monsoon repairs, improvements and petty works required in the case of nearly 80 court-houses. A large number of petty works and repairs for which funds were provided in the current and last year's budget estimates have not yet been carried out.

(*e*) The difference in the number is due to the transfer of the Subordinate Judge's Court now at Ellore in the Gódávari District to Masulipatam in Kistna proposed in High Court's letter, No. 3004, dated 24th October 1895.

(*f*) The reduction of Process Service establishment is being carried out, and hence the decrease in the number of amins and peons.

D. G. Coxe

Acting Registrar
Appellate Side.

Enclosure No. I ; to letter from the
High Court of Judicature, Appellate Side, Madras,
dated 22 Nov 1895, No. 3370.

Statement of Actuals
of receipts and the
average Charges
during the years
1892-93 to 1894-95.

Memo: of explanation regarding
Some of the figures entered in the Budget
Estimates for 1896-97.

Receipts — XVI A. Law and Justice.

Courts of Law.

Sale proceeds of Unclaimed and Escheated Property. (a) The amounts realised during the first half of the Current year and the second half of last year were Rs. 11,777 and Rs. 8,418 respectively which make a total of Rs. 20,195 which has been entered for the revised Estimate as Rs. 20,200. Hence Rs. 20,000 have been estimated for the next year

Recoveries on account of Pauper Suits. (b) Similarly Rs. 8,464 and Rs. 8,639 the recoveries respectively during the first half of the Current year and the second half of last year, make a total of Rs. 17,103. Hence the estimate of Rs. 17,100 for the next official year.

Translation Fees. (c) The receipts of translation fees during the 2nd half of 1894-95 being somewhat high, viz. Rs. 9000 odd, the average of the collections during the second halves of the last three years, viz. nearly Rs. 7½ has been added to those dur

half of the Current year, viz: about Rs. 5000, to arrive at the revised estimate, viz — Rs. 13,000. This figure has been adopted also for the estimate for the next year.

(d) For the same reason, the estimate and the revised estimate, should be raised to Rs. 62,000, which is made up of Rs. 27,000, the receipts during the first half of the Current year, and Rs. 35,000 the average of the receipts during the — Second halves of the last 3 years. — Rs. 62,000 should therefore be entered for Rs. 58,000 in the Columns of the Budget Estimate and Revised Estimate and have the Consequent alterations made in the total and abstract.

Printing fees.

(e) This amount (Rs. 6,07,800) is made up of Rs. 3,24,780, the collections during the first half of the Current year, and Rs. 2,83,020 those in the second half of last year. A round sum of 6 lacs has therefore been fixed as the Budget Estimate.

Magisterial fines

300—8-4-95.

Charges under 19A Law and Justice.

High Court, Appellate Side.

6 Translators:— There are two translators on Rs 90, one on 80, one on 70 and 2 on 60.

13 Indexers, Accountants, Examiners and Clerks:— One Accountant on 120, an Indexer and an appeal Examiner on Rs 100 each, 3 clerks on 80, 2 on 60 and 5 on 50.

Printing and translation executed on behalf of suitors:— This estimate was based on the revised estimate and it is Rs 1838 more than the average of the accounts of the past 3 years. This charge is of a varying nature.

English Law Officers.

Fees to Pleaders in Civil Suits and pauper Suits and in Criminal Cases:— This too was based on the revised estimate and is Rs 5,340 less than the average of the accounts of the past three years — but it is a fluctuating charge, and may, on a comparison with the average of charges during the last three years and the accounts of last year, be raised to a lac of Rupees.

District and Sessions Courts

Local allowance to Short-hand writers:— For 20 District and Sessions Courts, at Rs 30 per mensem per court.

Diet and road money to witnesses:— This estimate is the total of the fig[ures] returned by District and Se[ssions] Rs. 8,000 during the first —

ha was accepted being only about Rs 2,000 less
th than the Revised estimate and the average of
& the past three years, though Rs 5,500 over the
actuals for the last year. This is a fluctuating
charge.

Elephant charges. This is the figure returned by the Agent to the Governor, Ganjam. The increase in the actuals for 1894-95 was due to the expenditure of Rs 4,000 odd in the purchase of elephants.

Petty Construction and Repairs. This amount is the probable aggregate cost of monsoon repairs, improvements and petty works required in the case of ~~the case of~~ required in nearly 80 court houses. A large number of petty works and repairs for which funds were provided in the current and last years' Budget Estimates have not yet been carried out.

Criminal Courts.

General Establishments.

Diet and Road money to prosecutors and witnesses. This amount was fixed with reference to the Revised estimate and the actuals for 1894-95. This is a fluctuating charge.

Petty Construction and Repairs. This large amount is required for the construction of dead houses and postmortem sheds &c. About Rs 7,500 are required for this purpose in 4 Districts, Coimbatore, Godavari, Kurnool and Trichi-

30. Stationery and Printing.

Printing at Private Presses — Other Courts } Rs 6,000 may be entered in lieu of Rs 7,000 in the Column of Budget Estimate for the next Official year for the cost of printing at Private Presses for other Courts. The total charges of Stationeries and printing will then correspond with the actuals for last year. The total estimate under the above head will be Rs 22,500 instead of Rs 23,500.

ORDER 27 Nov 1895 No 930

The receipts under XVI A Law and Justice for the current year have been raised by the High Court in the revised estimate from Rs. 7,17,000 to Rs. 7,51,180 and the budget estimate for 1896-97 has been fixed at Rs.7,43,400 The explanations given by the High Court have been confined to comparisons of past actuals with those for the current year. It would assist in arriving at more correct estimates if the reasons for the variations in the figures were, when practicable, also stated. The Hon. the Judges will be requested to be so good as to furnish such information in future estimates. The anticipated receipts in 1896-7 from "Magisterial fines" will, with reference to the revised estimate and the progressive increase in actuals, be raised by Rs. 16,000 and the figures rounded off to even thousands of rupees. The budget estimate of receipts will then stand at [redacted] lakhs.

2. EXPENDITURE. The estimates have been carefully prepared and will be accepted subject to the following remarks:-

(i) 19 A a. High Court Judges. A provision of Rs 50,000 will be added on account of the ~~salary~~ pay and exchange compensation allowance of a fifth Puisne Judge whose appointment has been recommended to the Right Hon. the Secretary of State for India in Judicial Proceedings No. 1580/1, dated 27th July 1895.

(ii) 19 A b. Law Officers. The ~~High Court has made a~~ The provision of Rs.94,000 for "Fees to Pleaders" but considers that with reference to past actuals, ~~this sum may be~~ will be raised to one lakh. The exceptionally high expenditure in 1892-93 and 1893-94 has swelled the average for the past three years and the allotment made by the High Court, which is Rs. 9,000 in excess of that for the current year, appears to be sufficient.

(iii) A provision of Rs. 22,900 has been made for "Petty construction and Repairs" under 19 A d. Civil and Sessions Court against an actual expenditure of Rs. 7,967 in 1894-95 and a revised estimate of Rs. 9,605 for the current year. The High Court is of opinion that the works are absolutely necessary and the allotment will be admitted on the understanding that it will be fully utilized. The increased provision for the same item under 19 A f Criminal Courts will likewise be permitted to stand.

3. The Hon. the Judges of the High Court will be requested to be so good as to make arrangements for

Page 2 of Estimates

Page 5 of Estimates

Page 5 I think it will be better to give them the lakh they ask for. This will give us something to lose if expenditure should fall off. There is no provision for instance, for the additional Sub Court at Tinnevelly & some will certainly be wanted during the year, if they cannot be wanted elsewhere. In fact, as we have decided to ask India about this, I think a separate lump provision should be made for it, besides giving the lakh. This being the last year of the current contract there is no object in endeavouring to keep our expenditure within a doubtfully low rather than a suitable one. HS 27/11/95

Pages 8 & 9 Estimates

(iii) A lump provision of Rs 9000 will be made for the Temporary Sub-Judge at Tinnevelly HS

Pages 11 & 12 Estimates

Note If the draft is approved the estimates for 1896-6 and 1896-7 will compare as follows:-

	B.E. 1895-6	=	B.E. 1896-97
Receipts	- 7·17	-	7·60
Expenditure	- 46·74	-	47·12
Diffce	- 39·57	-	39·52

So that the additional Judge is provided for ~~in full~~ and a net gain of ·05 appears in the estimates. Taking the CE revised the difference is 39·14. The receipts in 1896.7 are however below the mark if anything whilst the charges are provided for in full.

From the Registrar of the High Court, dated 16th November 1895, No. 3272, forwarding the budget estimate of receipts and charges under Law and Justice for 1896–97.

From the same officer, dated 22nd November 1895, No. 3370.

Order—No. 930, Financial, dated 27th November 1895.

The receipts under *XVI-A., Law and Justice*, for the current year have been raised by the High Court in the revised estimate from Rs. 7,17,000 to Rs. 7,51,180 and the budget estimate for 1896–97 has been fixed at Rs. 7,43,400. The explanations given by the High Court have been confined to comparisons of past actuals with those for the current year. It would assist in arriving at more correct estimates if the reasons for the variations in the figures were, when practicable, also stated. The Hon'ble the Judges will be requested to be so good as to furnish such information in future. The anticipated receipts in 1896–97 from "Magisterial fines" will, with reference to the revised estimate and the progressive increase in actuals, be raised by Rs. 16,000 and the figures rounded off to even thousands of rupees. The budget estimate of receipts will then stand at 7·60 lakhs.

2. *Expenditure.*—The estimates have been carefully prepared and will be accepted subject to the following remarks :—

(i) 19*Aa.*, *High Court Judges.*—A provision of Rs. 50,000 will be added on account of the pay and exchange compensation allowance of a fifth Puisne Judge whose appointment has been recommended to the Right Hon'ble the Secretary of State for India in Judicial Proceedings, No. 1580–1, dated 27th July 1895.

(ii) 19*Ab.*, *Law Officers.*—The provision of Rs. 94,000 for "Fees to Pleaders" will, with reference to past actuals, be raised to one lakh.

(iii) An allotment of Rs. 9,000 will be made for the Temporary Subordinate Judge at Tinnevelly.

(iv) A provision of Rs. 22,910 has been made for "Petty construction and repairs" under 19Ad., *Civil and Sessions Courts* against an actual expenditure of Rs. 7,967 in 1894–95 and a revised estimate of Rs. 9,605 for the current year. The High Court is of opinion that the works are absolutely necessary and the allotment will be admitted on the understanding that it will be fully utilized. The increased provision for the same item under 19Af. *Criminal Courts* will likewise be permitted to stand.

(v) A sum of Rs. 11,000 representing one-fifth of the charges on account of horse allowance to Tahsildars and Deputy Tahsildars, will be added under the last-mentioned head.

3. The Hon'ble the Judges of the High Court will be requested to be so good as to make arrangements for exhibiting actuals and averages against *each* item under *Allowances, Supplies and Services* and *Contingencies* in future estimates.

(a) This includes a provision for the travelling allowance of the Bellary-Salem Subordinate Judge and his office establishment now on duty in Coimbatore.

(b) This estimate is the total of the figures returned by District and Sessions Judges and has been accepted being only about Rs. 2,000 less than the revised estimate and the average of the past three years though Rs. 5,500 over the actuals for the last year. This is a fluctuating charge.

(c) This is the figure returned by the Agent to the Governor, Ganjám. The increase in the actuals for 1894-95 was due to the expenditure of Rs. 4,000 odd in the purchase of elephants.

(d) This provision is necessary for the petty works and repairs proposed by District Judges to be carried out during 1896-97 and is the probable aggregate cost of monsoon repairs, improvements and petty works required in the case of nearly 80 court-houses. A large number of petty works and repairs for which funds were provided in the current and last year's budget estimates have not yet been carried out.

(e) The difference in the number is due to the transfer of the Subordinate Judge's Court now at Ellore in the Gódávari District to Masulipatam in Kistna proposed in High Court's letter, No. 3004, dated 24th October 1895.

(f) The reduction of Process Service establishment is being carried out, and hence the decrease in the number of amins and peons.

NOVEMBER.

Budget Estimate.

Passing orders on the — of receipts and charges under Law and Justice for 1896–97.

No. 930, Financial, 27th November 1895.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following papers :—

From the Registrar of the High Court, dated 16th November 1895, No. 3272, forwarding the budget estimate of receipts and charges under Law and Justice for 1896–97.

From the same officer, dated 22nd November 1895, No. 3370.

Order—No. 930, Financial, dated 27th November 1895.

The receipts under *XVI-A., Law and Justice*, for the current year have been raised by the High Court in the revised estimate from Rs. 7,17,000 to Rs. 7,51,180 and the budget estimate for 1896–97 has been fixed at Rs. 7,43,400. The explanations given by the High Court have been confined to comparisons of past actuals with those for the current year. It would assist in arriving at more correct estimates if the reasons for the variations in the figures were, when practicable, also stated. The Hon'ble the Judges will be requested to be so good as to furnish such information in future. The anticipated receipts in 1896–97 from "Magisterial fines" will, with reference to the revised estimate and the progressive increase in actuals, be raised by Rs. 16,000 and the figures rounded off to even thousands of rupees. The budget estimate of receipts will then stand at 7[illegible]0 lakhs.

2 *Expenditure.*—The estimates have been carefully prepared and will be accepted subject to the following remarks :—

(i) 19*Aa., High Court Judges.*—A provision of Rs. 50,000 will be added on account of the pay and exchange compensation allowance of a fifth Puisne Judge whose appointment has been recommended to the Right Hon'ble the Secretary of State for India in Judicial Proceedings, No. 1580/1, dated 27th July 1895.

(ii) 19*Ab., Law Officers.*—The provision of Rs. 94,000 for "Fees to Pleaders" will, with reference to past actuals, be raised to one lakh.

(iii) A lump provision of Rs. 9,000 will be made for the Temporary Sub-Judge at Tinnevelly.

(iv) A provision of Rs. 22,910 has been made for "Petty construction and Repairs" under 19Ad., *Civil and Sessions Court*, against an actual expenditure of Rs. 7,967 in 1894–95 and a revised estimate of Rs. 9,605 for the current year. The High Court is of opinion that the works are absolutely necessary and the allotment will be admitted on the understanding that it will be fully utilized. The increased provision for the same item under 19Af., *Criminal Courts*, will likewise be permitted to stand.

3. The Hon'ble the Judges of the High Court will be requested to be so good as to make arrangements for exhibiting actuals and averages against *each* item under *Allowances*, *Supplies and Services* and *Contingencies* in future estimates.

(a) This includes a provision for the travelling allowance of the Bellary-Salem Subordinate Judge and his office establishment now on duty in Coimbatore.

(b) This estimate is the total of the figures returned by District and Sessions Judges and has been accepted being only about Rs. 2,000 less than the revised estimate and the average of the past three years though Rs. 5,500 over the actuals for the last year. This is a fluctuating charge.

(c) This is the figure returned by the Agent to the Governor, Ganjám. The increase in the actuals for 1894-95 was due to the expenditure of Rs. 4,000 odd in the purchase of elephants.

(d) This provision is necessary for the petty works and repairs proposed by District Judges to be carried out during 1896-97 and is the probable aggregate cost of monsoon repairs, improvements and petty works required in the case of nearly 80 court-houses. A large number of petty works and repairs for which funds were provided in the current and last year's budget estimates have not yet been carried out.

(e) The difference in the number is due to the transfer of the Subordinate Judge's Court now at Ellore in the Gódávari District to Masulipatam in Kistna proposed in High Court's letter, No. 3004, dated 24th October 1895.

(f) The reduction of Process Service establishment is being carried out, and hence the decrease in the number of amins and peons.
