The Board's estimates are approved and will be transferred to the Financial Department, subject to the remark that, Department, Land Records and Agriculture (Land Records Branch) will probably not be filled up during the earlier portion of the ensuing year, and as the question of its retention after August next will require to be settled in communication with the Government of India and the Secretary of State, the marginally-noted provision made on this account in the estimate for 1896-97 will be omitted therefrom and the following note added in the "remarks column" of the statement:—

"The question of retaining the appointment after the period of five years for which it was provisionally sanctioned will be decided later on in communication with the Government of India and the Secretary of State. In the meantime, it is not proposed to fill up the vacancy."

(b) Increase owing to frequent tours of the Commissioner on settlement duty. The actuals up to 25th September 1895 amounted to Rs. 1,206. Hence the increased provision. The budget estimate is based on the average of last three years.
(c) A large number of maps are being received from the Survey office, and the actuals up to 25th September 1895 amounted to Rs. 836. Hence the increased provision.
(d) Increased provision made for cost of clothing for peons, and for the increased cost of record racks sanctioned in G.O., No. 2541, dated 26th June 1895, and for carriage of records, furniture, &c., during the frequent tours of the Commissioner on settlement duty. Particulars of "other charges" are being tabulated and will be furnished shortly.
(e) Decrease due to provision for record racks not being found necessary.
(f) Increase due to the following causes:—(1) allowance to acting incumbents during Mr. Clerk's absence on privilege leave; (2) the grant of furlough allowance to M.R.Ry. Krishnamurti Aiyangar from October 1895 and of acting allowance to his successor; (3) the provision for the pay of two Assistant Commissioners, one for the whole year as sanctioned in G.O., Mis. No. 3234, dated 13th August 1895, and the second who will probably be required for Gódvári from November next; and (4) the higher rate of allowances (Rs. 1,114-7-1) drawn by Mr. F. C. Parsons against the sanctioned grant calculated at Rs. 910. Proposals for filling up the Second Assistant Commissioner's place will shortly be submitted.

(g) Increase in the budget estimate for 1896-97 over the sanctioned grant is due to causes (2) and (4) noted under (f), and to provision being made for two Assistant Commissioners for the whole year.

(h) The decrease is due partly to fines, stoppages of pay for short work, to unfilled vacancies, &c., in the Settlement Parties; but chiefly to provision of Rs. 4,000 for temporary establishments for the resettlement of Kurnool being struck out with reference to Board's Proceedings, No. 28, dated 8th February 1895; and to reductions in the provision for Parties II and VI. In the former Party the work of writing the classification registers and other accounts in the language of the South Canara district which was originally intended to be done by the employment of temporary men has since been assigned to shanborgues and the pay of the substitutes appointed to perform the revenue duties of the latter, will be met from the Village Service Fund. There will thus be a saving of about Rs. 4,000 in this Party. The temporary establishment provided for the introduction of the new rates into Malabar has been reduced by Rs. 3,000, as the orders of Government on the settlement scheme have not yet been received. On the other hand, the provision in Parties Nos. I and III has been raised by Rs. 3,000 and Rs. 2,000, respectively, as it is probable that the schemes for settlement will be ready in time to admit of introduction of the new rates into some taluks of Anantapur and Gódvári before the close of the current fasli year.

(i) Increase over sanctioned grant due to provision made for the pay of the Second Assistant Commissioner's establishment, and for the increased rate of pay sanctioned to the peons of No. II Party, South Canara (vide G.O., No. 3036, dated 30th July 1895). There is a saving of Rs. 72 under clerks owing to the retirement of a classifier in No. V Party drawing Rs. 30 according to the old Tinnevely scale, while his successor would only draw Rs. 24 under the existing scale.

Under temporary establishment for 1896-97, provision has been made for writing up the diglott registers of Tanjore and Trichinopoly with the aid of karnams; for completing the settlement of Anantapur and preparing the registers for that district, and for introducing the new rates into Malabar and Gódvári.

(j) The actuals for five months (April to August 1895) amounted to only Rs. 4,738; but as much inspection work remains to be done by the Deputy Commissioner, and as provision has to be made for the travelling allowance of a Second Assistant Commissioner, the revised estimate has been fixed at Rs. 14,000.

(k) Provision has been made for the transfer of Party No. V to Malabar and for the travelling allowance of two Assistant Commissioners for the whole year.

- (g) Decrease due to a clerk's post having been left vacant, after the Deputy Director of Agriculture assumed charge of the Land Records branch also.
- (r) Decrease due to the post of Deputy Director, Land Records, being vacant.
- (s) Decrease due to the fact that no expenditure has been incurred to date by the Deputy Director of Agriculture, as he has been doing the duties of the Land Records branch.
- (t) The question of retaining the appointment of Deputy Director of Land Records and Agriculture (Land Records) after the period of five years for which it was provisionally sanctioned will be decided later on in communication with the Government of India and the Secretary of State. Meantime it is not proposed to fill up the vacancy.

- (u) Decrease in the revised estimate is due to three vacancies in the post of Agricultural Inspectors not having been filled up. The increase in the budget estimate over the sanctioned grant is due to the increment which will probably have to be given to the Agricultural Inspectors, who will have attained ten years' standing (G.O., No. 1171, dated 20th October 1895).

ORDER—No. 724, Revenue, dated 6th November 1895.

Miscellaneous.

The Board's estimates are approved and will be transferred to the Financial Department, subject to the remark that, as the appointment of the Deputy Director, Land Records and Agriculture (Land Records Branch) will probably not be filled up during the earlier portion of the ensuing year, and as the question of its retention after August next will require to be settled in communication with the Government of India and the Secretary of State, the marginally-noted provision made on this account in the estimate for 1896-97 will be omitted therefrom and the following note added in the "remarks column" of the statement:—

"The question of retaining the appointment after the period of five years for which it was provisionally sanctioned will be decided later on in communication with the Government of India and the Secretary of State. In the meantime, it is not proposed to fill up the vacancy."

EXPLANATORY REMARKS.

(b) Increase owing to frequent tours of the Commissioner on settlement duty. The actuals up to 25th September 1895 amounted to Rs. 1,206. Hence the increased provision. The budget estimate is based on the average of last three years.
(c) A large number of maps are being received from the Survey office, and the actuals up to 25th September 1895 amounted to Rs. 836. Hence the increased provision.
(d) Increased provision made for cost of clothing for peons, and for the increased cost of record racks sanctioned in G.O., No. 2541, dated 26th June 1895, and for carriage of records, furniture, &c., during the frequent tours of the Commissioner on settlement duty. Particulars of "other charges" are being tabulated and will be furnished shortly.
(e) Decrease due to provision for record racks not being found necessary.
(f) Increase due to the following causes:—(1) allowance to acting incumbents during Mr. Clerk's absence on privilege leave; (2) the grant of furlough allowance to M.R.Ry. Krishnamurti Aiyangar from October 1895 and of acting allowance to his successor; (3) the provision for the pay of two Assistant Commissioners, one for the whole year as sanctioned in G.O., Mis. No. 3234, dated 13th August 1895, and the second who will probably be required for Godavari from November next; and (4) the higher rate of allowances (Rs. 1,114-7-1) drawn by Mr. F. C. Parsons against the sanctioned grant calculated at Rs. 910. Proposals for filling up the Second Assistant Commissioner's place will shortly be submitted.
(g) Increase in the budget estimate for 1896-97 over the sanctioned grant is due to causes (2) and (4) noted under (f), and to provision being made for two Assistant Commissioners for the whole year.
(h) The decrease is due partly to fines, stoppages of pay for short work, to unfilled vacancies, &c., in the Settlement Parties; but chiefly to provision of Rs. 4,000 for temporary establishments for the resettlement of Kurnool being struck out with reference to Board's Proceedings, No. 28, dated 8th February 1895; and to reductions in the provision for Parties II and VI. In the former Party the work of writing the classification registers and other accounts in the language of the South Canara district which was originally intended to be done by the employment of temporary men has since been assigned to shanbognes and the pay of the substitutes appointed to perform the revenue duties of the latter, will be met from the Village Service Fund. There will thus be a saving of about Rs. 4,000 in this Party. The temporary establishment provided for the introduction of the new rates into Malabar has been reduced by Rs. 3,000, as the orders of Government on the settlement scheme have not yet been received. On the other hand, the provision in Parties Nos. I and III has been raised by Rs. 3,000 and Rs. 2,000, respectively, as it is probable that the schemes for settlement will be ready in time to admit of introduction of the new rates into some taluks of Anantapur and Godavari before the close of the current fasli year.
(i) Increase over sanctioned grant due to provision made for the pay of the Second Assistant Commissioner's establishment, and for the increased rate of pay sanctioned to the peons of No. II Party, South Canara (vide G.O., No. 3036, dated 30th July 1895). There is a saving of Rs. 72 under clerks owing to the retirement of a classifier in No. V Party drawing Rs. 30 according to the old Tinnevely scale, while his successor would only draw Rs. 24 under the existing scale. Under temporary establishment for 1896-97, provision has been made for writing up the diglott registers of Tanjore and Trichinopoly with the aid of karnams; for completing the settlement of Anantapur and preparing the registers for that district, and for introducing the new rates into Malabar and Godavari.
(j) The actuals for five months (April to August 1895) amounted to only Rs. 4,738; but as much inspection work remains to be done by the Deputy Commissioner, and as provision has to be made for the travelling allowance of a Second Assistant Commissioner, the revised estimate has been fixed at Rs. 14,000.
(k) Provision has been made for the transfer of Party No. V to Malabar and for the travelling allowance of two Assistant Commissioners for the whole year.

(c) Reduced with reference to actuals up to date which amount to only Rs. 1,131.

(7) As the Deputy Director of Agriculture has been placed in charge of the Land Records branch also, without prejudice to his own duties, the provision made in the sanctioned grant for the pay and exchange compensation allowance of the Deputy Director, Land Records, has been struck out in the revised estimates.

- (g) Decrease due to a clerk's post having been left vacant, after the Deputy Director of Agriculture assumed charge of the Land Records branch also.
- (r) Decrease due to the post of Deputy Director, Land Records, being vacant. The fact that no expenditure has been incurred to date by the Deputy Director of Agriculture, as he has been doing the duties of the Land Records branch.
- (s) Decrease due to the appointment of Deputy Director of Land Records and Agriculture (Land Records) after the period of five years for which it was provisionally sanctioned will be decided later on in communication with the Government of India and the Secretary of State. - (u) Decrease in the revised estimate is due to three vacancies in the post of Agricultural Inspectors not having been filled up. The increase in the budget estimate over the sanctioned grant is due to the increment which will probably have to be given to the Agricultural Inspectors, who will have attained ten years' standing (G.O., No. 1171, dated 20th October 1885).
