From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

With reference to Official
Memoranda Nos. 2783 and 2784 File
dated 21st instant, I have the honour
to submit the following explanation.

College of Engineering

Riding fees. This is a new charge
sanctioned in G.O. No. 98, Educational,
dated 12th February 1895, for a short
course of riding while students of
the College undergo training in the
Workshops.

Workshop fee. This item represents
the premium payable under G.O.
No. 294 Ed. of the 23rd April 1890

for the training of a Mechanical Engineer student at the Perambur Workshops. It was included in the current year's budget in the account of 1894-95 under the heading "Purchase of instruments and books and Special Contingencies &c."

Batta to Students. A sum of Rs 1100 was provided for in the Budget Estimates for 1894-95 and 1895-96 under "School of Engineering" to cover the batta to students while in survey camps and on the inspection of works in the Mofussil, and the actual charges under this head were included by the Accountant-General in the item "Office Expenses and Miscellaneous" in one lump sum. No batta is paid to students in both the College and School departments, and as batta is expected to be given to an increased number of students in 1896-97, a sum of Rs 1000 has been provided under "College" and of Rs 500 under "School" of Engineering to meet the cost of batta during the ensuing year. It will further be seen from the annual report on the

the working of the College during 1894-95 and other Correspondence thereon recorded in G.O. no. 521 Ed. dated 21st June 1895, that the provision made hitherto for this purpose has been considered inadequate.

Honoraria The provision of Rs 2200 for honoraria under "Direction" represents the remuneration payable from time to time, for the preparation of translations of works into vernacular languages, and honoraria to authors bringing out works of educational value, and general interest, given in the shape of the purchase by the Department of a number of copies of such works. During 1894-95, Rs 1400 were paid as remuneration for translating the First Book of Agriculture and Domestic Economy alone. The lump provision for contingencies under Direction included the Book Branch honoraria hitherto.

A sum of Rs 200 per annum was assigned for these purposes in G.O. no. 317 Ed. of 9th Mar 94.

Nearly Rs 2200 were expended on this account during 1894-95.

2. I take this opportunity to request that the contribution to the District Board Malabar, viz, Rs 740, for two Mappilla Inspecting Schoolmasters and Rs 2100 for 14 additional Mappilla Schools entered under "Inspection" and "Primary Schools for Boys" respectively, may be transferred to "Adjusting Heads".

I have the honour to be
Your most obedient Servant
