GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—again G.O., No. 461, Revenue, dated 20th July 1895.

ABSTRACT.—Passing orders on Board's proposals in regard to the training of Taluk Head Accountants in practical account work.

READ—the following Proceedings of the Board of Revenue (Land Revenue), Mis. No. 5365, dated 23rd October 1895:—

Read—the following letter from J. HEWETSON, Esq., Acting Collector of Malabar, to the Secretary to the Commissioners of Land Revenue, dated 10th October 1895, Ref. on C. No. 4283-P-95:—

In paragraph 6 of its Proceedings, Mis. No. 3096, dated 20th June 1895, the Board proposed that the places held by persons deputed to undergo training as Taluk Head Accountants should be temporarily filled up and pointed out that the suggestion that an Accountant in the Collector's office should take the place of the individual undergoing training is impracticable. Government while accepting the proposals in paragraphs 3 and 4 of the Board's Proceedings and approving the instructions issued in paragraphs 5 and 7, passed no orders on paragraph 6 of the Proceedings. Government also ordered that Collectors should arrange to have a reserve of trained men so as to avoid the necessity of putting the Taluk treasury in charge of untrained men when a vacancy occurs, and that the present Taluk Head Accountants should be sent for training, when such training is deemed necessary—*vide* G.O., No. 461, Revenue, dated 20th July 1895, communicated with Board's Proceedings, No. 287, Land Revenue, dated 12th August 1895.

2. If no substitutes are to be appointed in lieu of those deputed for training, much inconvenience will be caused in giving effect to the orders of the Board and Government, and work will certainly suffer. The Treasury Deputy Collector informs me that almost all the Taluk Head Accountants in this district require training, if they are called into the Huzur, the sub-treasury charge for two months (six weeks' training in the Treasury and Account branch and two weeks in the Sheristadar's branch) will devolve on a Rs. 20 gumastah in the taluk, during some part of which time the Tahsildar must necessarily be in camp. Revenue Inspectors cannot be taken away from their legitimate work, which is very heavy in this district, where only cultivation pays land revenue. It will also not be possible to have a reserve of trained men.

3. In its Order No. 260, Revenue, dated 4th April 1891, communicated with Board's Proceedings, No. 265, Land Revenue, dated 27th idem, Government directed that Revenue Inspectors deputed for survey training for six weeks should be considered on special duty to enable the substitutes for them to draw acting allowances. As the training of Taluk Head Accountants will last two months and of the reserve men referred to in paragraph 2 of G.O., No. 461, Revenue, dated 20th July 1895, communicated with Board's Proceedings, No. 287, Land Revenue, dated 12th August 1895, will last three months, I have the honour to recommend that the orders of Government may be obtained for the appointment of substitutes for Taluk Head Accountants and others deputed for training in practical account work.
