mate for 1895-96" and in the Budget Estimate for 1896-97" is inadequate for the proper performance of the work of this office. As stated in paragraph 3 of my letter No. 377, dated the 12th September 1895, and in paragraph 2 of my letter No. 383, dated the 14th idem, the expenditure on account of "Carriage of office baggage, Copying materials, etc." and on account of "Coolies, carts, etc." during 1893-94 and 1894-95 was abnormally low. During the current year the expenditure hitherto incurred under the same two heads comes to Rs 127 and Rs 25 respectively. For the tours to

to be undertaken by my three Assistants in search of inscriptions and Sanskrit Manuscripts, and for the tour to Travancore on which I shall start in January, no funds remain for expenditure under these two heads. I therefore request that the Government might be so good as to sanction for 1895-96 and 1896-97 at least the average of 1892-93 and 1893-94, viz. Rs 400, on account of "Carriage of office baggage, copying materials, etc." and Rs 75 on account of "Coolies, carts, etc".

2. The statement required by paragraph 87 of the "Instructions relating to the preparation of the Budget Estimates" is herein enclosed.

I have the honour to be, Sir,
your most obedient servant,

E. Hultzsch
Epigraphist.
