To
J. C. Harrison Esq.
Assistant General
Madras.

Respected Sir,
I beg to acknowledge the receipt of your kind letter No. 1759 dated 15th November 95 intimating to me the payment of only a month's pension to me notwithstanding the fact of my being in very straitened circumstances, and that I and my motherless children are actually starving.

I settled at Pondicherry for the following reasons in my present advanced age.

- (1) Healthiness of the locality on account of its beneficial mineral waters.
- (2) Cheapness of the place in comparison to Madras.
- (3) The settlement of most of my relations, especially considering the fact of having lost my wife and no one to look after my children.

Sometime after my settlement here, I applied to Government for the payment of my Pension at this place which the Government was pleased to sanction in their Order No. 573 Financial dated 8th

August

August 1895.

For some reason or other, I learn from you that you made a reference to Government about it a long time ago, regarding the transfer of my Pension to Pondicherry, and that the reference not having been disposed of by them the transfer is still deferred. Unfortunately it has been an indefinitely long period that the payment of my Pension has been postponed and I have consequently to starve and die here without any means of subsistence. As for the genuineness of my signature on the bill you could have got it compared with the signature in the old Register and in Permanent Pay Order, and also 31 x 12 or 372 months signature in the Acquittance Rolls of your Office. My life Certificate was signed by Her Majesty's British Consular Agent at Pondicherry a very responsible Officer of Government. No further proof, I beg to submit, is necessary for the disbursement of my Pension.

I beg therefore you will reconsider over the matter and relieve me of the distress by paying me the arrears of Pension on the same bill to Mr. R. P. O. Sureappa Mudliyan of the Barrack Master's Office so that

he might remit me at once.

After payment of the Pension I beg you will kindly transfer my Pension to Cuddalore Head Quarter Treasury which is only 13 miles from here, where I can present myself and draw the Pension. I suppose there will be no account objection for your doing so, and that the delay in the disposal of the reference from Government in no way affects the transfer of my Pension to Cuddalore.

Bagging to be excused for troubling you often which I am forced to represent on account of my starvation in this old age with my poor children.

I beg to remain,
Respected Sir,
Your most Obedt Servt
Naga Ruttima Mudliyan
