As there is an inter-pretation of a financial rule involved in submitting the question of the grant of leave allowance to the FD as a matter of form the AG's opinion as now expressed seems to show that the AG's opinion is proposed to be transferred to the FD as a matter of form. Higher rate of leave allowances

H. E. THE GOVERNOR.

THE HON'BLE MR. BLISS, C.I.E.

THE HON'BLE MR. GROSE, C.I.E.

FOR ORDERS.

The case is so clearly set out in the Board's Resolution which has been flagged C. Briefly it is that a subordinate holding the post of ^{an} ~~head~~ ^c clerk of the office of the Dy: Director of Land Records on Rs.60 (an appointment sanctioned temporarily for five years) and who holds ^a ~~the~~ permanent appointment ^{as} ~~of~~ Revenue Inspector on Rs.35 in the Kistna district was granted leave on ~~account~~ medical certificate from the 27th July to the 21st Oct 1896. The Accountant General holds that the absentee allowance of the clerk must be calculated on the pay of his permanent post. The Dy: Director considers that it should be calculated on the pay of his temporary appointment. The articles of G.S.E. which bear on the question are quoted below

Art:375 ^(c) states that when an officer whose appointment is not gazetted takes leave (on medical certificate) and when such officer's salary is less than Rs.

his pay when he gives up office is to be taken in lieu of average salary in calculating leave allowances.

Art: 49 (a) states that the "Pay of an Officer" is the amount which he would receive monthly in his substantive appointment.

Art: 161 (iii) states that if a ~~the~~ vacancy is caused by the absence on leave of an officer whose pay is less than Rs. 100, the absentee allowance of such officer must not exceed the difference between his pay and the sum of the acting allowances paid in consequence of his absence.

3. The Dy: Director in support of his case quotes art:94 of the C.S.D. which states that a temporary appointment is one carrying a definite rate of pay. if his view of the ^{matter} ~~case~~ is not accepted

The Director requests that the case of the clerk may be treated as a special one and that orders may be obtained ~~for~~ permitting him to draw half the pay of his present post. The Accountant General points out that there is no rule in the C.S.D. under which the Local Govt. can sanction the higher rate of leave allowances claimed by the clerk.

4 The Dy: Director has, it is submitted, not made out a case. His reference to art:94 has no bearing whatsoever on the matter. The Accountant General has acted clearly within the rules and it is proposed to say:--
