FURTHER PAPERS.

G.O.	No.	Department.	Date.

Extract from letter of the Principal, College of Engineering Madras, to the Director of Public Instruction, dated 4th December 1896 No 1358.

With reference to paragraph 2 of G.O. No 774, Financial dated 13th November 1896, communicated to me under your endorsement No 13008 dated 2nd December 1896, I have the honour to request that you will be so good as to express to Government my regret that my No 216 C, dated 22nd June 1896, has been found to contain an inaccurate statement. I beg to explain that Government reference No 1053, dated 19th May 1896, to which my letter was a reply was received by me during the long vacation when I was absent from Madras. As no delay is permitted in replying to Government reference I was obliged to rely on the report of a subordinate for the information given in my reply. This report, though made in good faith was incorrect. While accepting full responsibility for my reply I beg to point out that I was careful to note in my letter the source of the information communicated.

*This is no excuse for a head of Dept. to pass on an incorrect statement
