FOR ORDERS.

In G.O. No. 847 Fml.,
 D. 8th Decr. 1896, the provision
 for a new dispensary at
 Malkangiri in the budget
 estimate of the Medical
 Dept was struck out and
 the work was ordered to be stopped as
 it was understood that the
 buildings had not ^{yet} been
 commenced. ~~the work was~~
~~ordered to be stopped.~~ On
 the 14th idem the Agent
 reported that the Malkangiri
 hospital had just been
 commenced but that it was
 not likely to be finished
 before May next. The Agt
 telegram was recorded with
 reference to para. 9 of the
 order quoted above. The
 Agent now wires enquiring

G.O. No. 11 A Fml.,
 D. 6th January 1897.

The Chief

whether the work should be stopped and stating that it is being done from the Agency grant. ~~Under the circumstances it is submitted that the execution of the work may be permitted.~~

Orders are solicited

Cue. 8
19.1.97 Submitted that as the money comes out of the Agency grant the work may be allowed to proceed

RD

I don't see the use of completing the building as there is no chance at present of our being able to find any site for the dispensary when the building is complete. It will only go to ruin if there is no one to plan in charge of it.
