CURRENT NO 164.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Agent to the Governor, Vizagapatam, No. 1012, dated 22nd De November 1896:—

I have the honour to report that the Lotugedda Mutta which was resumed by Government in its order No. 1685, Judicial, dated 10th August 1895, is now managed by the Tahsildar of Golugonda. It consists of 15 villages, excluding the principal village of Lotugedda, and fetches a ~~sist~~ of Rs. 72 per annum. The Lotugedda village itself fetches Rs. 20 nearly, but the whole of this amount is customarily spent by the villagers on the festivals of the village goddess to keep away tigers &c.

2. The revenue of Rs. 72 is at present collected by a Musiff, a Pettandar and a Bariki. The first two were given small pieces of land by the late Muttadars and enjoy them rent free while the Bariki has none. The Muttadar however asked used to give the latter a soap-nut tree and he lives partly in other ways. In my tour in the Golugonda Agency last June, I enquired into the exact extent of the land enjoyed by the two former and found that it amounts to 1 to 3 putties of dry grain each. This income is so small as to form no inducement to them to work properly. Moreover, now that the Mutta is resumed, we have no one responsible to us in the neighbourhood of Lotugedda, and I consider that a small fixed salary to the village officers would not only make them work better, but would also confer on them the necessary

local influence. Their work consists in the collection of the revenue and looking after the Government buildings, and collecting supplies and carriage for officers on tour; the latter no sinecure in such a place.

3. I therefore recommend that an annual salary of Rs. 24, 18 and 12 be sanctioned to the Munsiff, Pettandar and Bariki respectively. This will absorb the greater part of the revenue, but it cannot be helped and is so trifling as to be of no importance and I hope that in time the revenue may rise as deserted villages are occupied and cultivation is extended. It has no other charge against it.

O R D E R:- No. 44, dated 14th January 1897.

The Agent's recommendation is accepted and the necessary proposition statements should be submitted in due course to the Financial Department.

Proceedings of the Board of Revenue

(Separate Revenue),

Dated 18th December 1896

His No. 5239.

Read Government Order, No. 674, Revenue dated 26th November 1896.

Resolution

With reference to para 2 of the Government Order read above, the Board begs leave to state that as provision was made in the budget of the current year for a re-organization of Customs Establishment, according to which the grant of night allowance to the Land Customs Establishment was to be abolished, no provision was made for such allowances. The scheme ^{was not} however, brought into operation until some time after the Commencement of the current year and as night allowances continued to be paid ~ until

until that date, the amount has to be included in the revised estimate

2. The following certificates are now appended with reference to para 3, the form given in para 10 of the instructions quoted in the Government Order not being applicable to these cases:—

Detailed Account N^o 26 J - Scientific &c Departments. Provincial Statistics.

1 Refunds and Drawbacks, Customs.

The figures of actual charges are furnished to the Board monthly by the Accountant General and not by the Collectors and the audited figures are adopted by the Board.

Detailed Account N^o 30 D. - Stationery and Printing - Printing at private presses.

Certified that the actual amount entered above

above, is the amount of the bill passed by the Board; it has been verified with the statement furnished by the Accountant General and no discrepancies have been found.
